You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Rainbow Legacy CIO provides basic education to the community, English classes, support for mothers and babies, clothing and hygiene products. Children are also supported with education costs.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Girls are given classes on self care and hygiene and are provided with reusable sanity towels and toiletries.

Mothers are provided with clothes and reusable nappies for their babies.

The charity has purchased land and built a community centre to provide a safe space to learn, confide, play and develop the local community. A borehole has also been built on the land to provide clean water for the community.

Food donations have been made to families in the community, as well as provision of meals for children in the local school.

Education has been funded for a number of children.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During the year to 31 December 2024 further work was undertaken on the community centre owned by the charity. A store room was built to store supplies to be used in or for the benefit of the community.

The charity has been able to fund the education for a number of children for the year.

Section E

Financial review

Brief statement of the charity's policy on reserves

All current funds donated to the charity are held on an unrestricted reserve to be used for the general charitable purposes.

Where donations are made with a restriction imposed by the donor for these to be used for a specific purpose, these will be held in the restricted funds to be used for that purpose.

Details of any funds materially in deficit

As at 31 December 2024 there was no deficit in the unrestricted fund.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principal source of funds for the charity comes from donations from individuals and companies.

These funds have been used to build the community centre in The Gambia to provide a safe space for the key objectives of the charity, including education and a safe space for the community. Funds have been used to build a borehole to provide clean water for the community.

Funds have also been used to ship donated items such as reusable nappies, clothes, stationary and toys to The Gambia to be distributed in the community.

Funds have also been used to pay for the education of a number of children in The Gambia.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Rainbow Legacy CIO provides basic education to the community, English classes, support for mothers and babies, clothing and hygiene products.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Girls are given classes on self care and hygiene and are provided with reusable sanity towels and toiletries.
Mothers are provided with clothes and reusable nappies for their babies.
The charity has purchased land and built a community centre to provide a safe space to learn, confide, play and develop the local community. A borehole has also been built on the land to provide clean water for the community.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During the period 15 July 2022 to 31 December 2022 the land in The Gambia was purchased and work was undertaken to build the community centre. The borehole was also built on the land to provide clean water for the community.

Section E Financial review

Brief statement of the charity's policy on reserves

All current funds donated to the charity are held on an unrestricted reserve to be used for the general charitable purposes. Where donations are made with a restriction imposed by the donor for these to be used for a specific purpose, these will be held in the restricted funds to be used for that purpose.

Details of any funds materially in deficit

As at 31 December 2023 there was no deficit in the unrestricted fund.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principal source of funds for the charity comes from donations from individuals and companies. These funds have been used to build the community centre in The Gambia to provide a space for the key objectives of the charity, including education and a safe space for the community. Funds have also been used to ship donated items such as reusable nappies, clothes, stationery and toys to The Gambia to be distributed in the community.
