FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 01.09.22 Period start date To 31.08.23 Period end date

Charity name: BUILDING BRIDGES FOOD HUB

Charity registration number: 1199710

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The prevention or relief of poverty or financial hardship, particularly but not exclusively in Calderdale, by providing subsidised food and other essential items to individuals in need.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Building Bridges Food Hub is a registered charity which aims to provide support to local residents who have fallen on hard times so that they may receive subsidised shopping, providing them with dignity and choice. The clients make a small but notable contribution to the shopping and the remainder is paid for by the charity. Clients who are eligible to join pay a membership fee. They can then choose up to 20 items from a weekly updated list online and can choose to pay online or with cash. Families can order up to two baskets weekly. Clients then book a collection slot and pick up their shopping each Saturday.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Each year our trustees review our objectives and activities to ensure they continue to reflect our aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit and believe we are compliant with both the

		benefit aspect and that it is provided to those in need without discrimination in two local postcodes.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>We continue to enrol new members as well as looking after existing members - we now have more than 175 members registered to use our online social supermarket. In August 2022 we averaged 10 baskets of shopping distributed to local beneficiaries a week. In August 2023 this had more than doubled to 23 baskets of shopping per week! In the last year we have improved our social media presence now on Facebook and Instagram.</p> <p>We have been successful in bidding for 2 grants in the last year and this has secured the charity financially for the last 12 months, so any donations from individuals have been accumulating. We continue to receive gift aid which is used for any admin costs. The physical work is done on an entirely volunteer basis and we have no employees.</p> <p>We aim to apply for a national lottery administered grant to improve our digital and physical infrastructure in the forthcoming year.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Within the last year income for Building Bridges Food Hub exceeds costs , predominantly because of grants received in the year. On starting the food hub in Sept 2022 we supported 10 families per week, by Aug 2023 we supported 22 families per week on average. An average basket of shopping costs £18-£25 per week and members pay £3 towards this so it costs the charity £15-£22 per basket. There are minimal overheads as you have the premises rent free , no staff costs etc .
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The reserves policy is £2,000 as the annual running costs are only insurance and equipment . If our income from donations / grants / gift aid were to fall we would reduce our activity so we would not operate at a deficit
Amount of reserves held	Para 1.22	£2,000
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	No funds held in deficit
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	We have regular donors and grants income. If either of these were to decrease we would decrease our activity accordingly, but we have no concerns currently about operating as a going concern
