The Executive Committee members are normally briefed by the Chairman and the General Secretary to familiarise themselves with the rules, regulations and responsibilities of the charity. The Management Committee met six times during the year to review the activities of the charity including the approval of the annual report and accounts as well as budgets, capital expenditure and to set out the fund-raising date for the charity.

The day-to-day work of the charity is overseen by the Chairman who is responsible to and reports to the Management Committee. ### ***Financial Review***

The financial position of the Charity is portrayed in the accompanying Annual Accounts. There were no transactions during the period.

**Statement of Trustees' Responsibilities-** Law applicable to charities in England & Wales requires the Trustees to prepare a financial statement for each financial year, which gives a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- (a) Select suitable accounting policies and apply consistently
- (b) Make judgements and estimates that are reasonable and prudent;
- (c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- (d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records, which discloses with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the charity act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Reserve Policy**

It is the policy of the charity that unrestricted funds, which have not been designated for a specific use, should be maintained at a level equivalent to at least 12 months' expenditure. The Executive Committee consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. Al- Hera Foundation for Poor Children will actively work to achieve this level of reserves.

### **Risk Factors**

The Trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

## **AL-HERA FOUNDATION FOR POOR CHILDREN**
