

Fletchers Foundation's TAR Report – Financial year 23/24

Fletchers Foundation overview

- Charity no. 1199774
- Registered address - 34 Hoghton Street, Southport PR9 0PU
- Trustees:
 - Adrian Denson
 - Irene Afful
 - Richard Fraser
 - Professor Paul May

Activities and objectives of the Foundation

- We registered in July 2022 and launched our Grant Programme in January 2023.
- The objective of Fletchers Foundation is the relief of sickness, of conditions of need, hardship and distress arising as the result of medical accidents and personal injury by the provision of grants.
- In the financial year, 2023-2024, we supported 30 individuals or charities with grants.
- We also had our first birthday party / fundraising in March 2024, to raise awareness of the charity and to raise money for the grant programme.

Structure

- We are managed by our Director of the Foundation; Reece Hobson-Adams, who manages the day-to-day operations.
- The Director reviews all grant applications and makes a recommendation to the trustees, who have final decision (majority rules) on the application.
- We are currently not looking for anymore trustees, however if we were, the first step would be to meet our director to talk about the charity and its aims. Then the person would have a call with the Trustees who would look at is the person bringing something that the current trustees are missing. There would then be a vote at the board of trustees meeting.

Achievement

- In the financial year, 2023-2024, we supported 30 individuals or charities with grants.
- We awarded our biggest grant yet, of £10,000.
- Two of our grant recipients have become ambassadors of the trustees, with one of them also joining the Paralympics next generation programme.
- Another grant applicant also went over to Thailand and won a bronze medal at the World Ability Games.
- Fletchers Foundation expanded its income revenue stream and became the charity of the year for external stakeholders companies.
