TRUSTEES' ANNUAL REPORT YEAR ENDED 31 MAY 2025

Structure, governance and management

The Trustees are pleased to present their report, together with the financial statements and independent examiner's report for the year ended 31 May 2025.

The Trustees confirm that the financial statements comply with their constitution document, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008.

The charity is overseen by the following group of trustees as a whole:

Andrew Mills (Chair)
Gavin Cross (Treasurer)
Samantha Crombleholme Cross
Kathryn Armstrong
Joanne Kember
Gereldine Dalton

Trustees are appointed on the basis of a majority vote. Potential trustees are invited to discuss what is required and the amount of time that they need to contribute to the role, showing the main goals and visions for the longevity of the charity.

Objectives and activities

The charity's objectives is the provision of a weekly outreach service for homeless and vulnerable people, and people struggling with the cost of living crisis in central Blackpool, with the aim of alleviating poverty. Provision of hot and cold food and drinks, clothes, respite accommodation, sleeping bags and toiletries. The charity's clients often have complex needs and issues, and the charity pays for counselling services for them.

Public benefit

The charity considers that the public benefit is the provision of a resource available to all the residents living in the area of Blackpool. The trustees consider that they have complied with Section 17(5) of the Charities Act 2011.

Strategic report

The following sections for achievement and performance, financial review and plans for future periods form the strategic report of the charity.

Achievement and performance

This year has seen the charity expand yet again and this has led to Helping Hearts Fylde moving into a larger property to meet the ever growing demand. We have now become a recognised partner with Blackpool Council and run the SWEP (Severe Weather Emergency Protocol) meaning we are in a position to support those rough sleeping on the streets of Blackpool when the temperatures drop close to freezing. As our evening service has grown, so has the demand for service supplies such as food, drinks, clothing, baby and pet provisions. We are now utilising Blackpool Food Bank (BFB) and Recycling Lives in Preston which supports some of our provision needs, we also receive a large supermarket delivery weekly which captures any shortfall from Recycling Lives and BFB. Our Amazon Wish List has been well utilised over this period whereby we have highlighted a short supply of products which we rely upon for our rough sleepers and hygiene care products.

HELPING HEARTS FYLDE

TRUSTEES' ANNUAL REPORT YEAR ENDED 31 MAY 2025 (continued)

Achievement and performance (continued)

Due to our ever growing partnerships across the community, we have been successful with the local college in enrolling clients on adult courses, learning new skills and to assist them in the pursuit of paid work. Our collection points have grown throughout this year, giving the opportunity for members of the public to donate an array of items across popular locations across the Fylde Coast. This growth has also given us the opportunity to enhance our processes and policies, update these accordingly and to also improve our induction program along the way. Our Social Media following has grown at an incredible rate and so has the skills within the team to ensure our media is current and capturing all the fantastic work that goes on within the Charity. The incredible work we do here at HHF has been recognised nationwide as HHF were put forward for the prestige Kings Award for Voluntary Service (KAVS), and late in 2025 the results of this was published and HHF were 1 of 3 Charities across Lancashire to receive this award which is a truly sensational achievement!

Financial review

During the year to 31 May 2025 the charity's total income was £35,915 (2024 £36,923) and expenditure totalled £32,955 (2024 £19,830) leaving a net surplus of £2,960 (2024 £17,093).

The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt a going concern basis of accounting in preparing the financial statements.

Plans for the future

We are currently raising funds through bid applications for the purchase of our own property, this will enable us to work towards our goal of having and operating a Community hub - This will be an accessible place where people experiencing poverty—or at risk of it—can get support, resources, and a sense of connection. Not only will it allow us to run our usual services, we will also be in a position to invite guests along to support with housing services, healthcare, mental health support, or legal advice. A hub which will allow for skills and training, workshops such as cooking, literacy and digital skills, help with benefits, debts, budgeting and CV writing and also the potential to have our own unit to accommodate overnight accommodation for those who truly need it. This will encapsulate a complete wrap-around service and to operate on a non referral basis as we do today with a view of operating not only for a service on a Thursday, but to run this community hub 7 days a week.

HELPING HEARTS FYLDE

NOTES TO THE ACCOUNTS YEAR ENDED 31 MAY 2025

1. Accounting policies

(a) Basis of preparation

The financial statements have been prepared under the receipts and payments basis in accordance with, and permitted by, Section 145 of the Charities Act 2011.

(b) Funds structure of receipts

The charity receives funds from the following sources:

- Public donations
- Blackpool Council
- Donated collector points
- Blackpool Food Bank
- Recycling Lives Preston
- Supermarket donations

Unrestricted funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charity's objective.

(c) Payments

All expenditure is accounted for on an income and expenditure basis, inclusive of VAT which cannot be recovered, and has been classified under headings that aggregate all costs related to that category.

- Charitable activities: costs of the charity incurred in the delivery of its activities and services;
- Governance costs: costs associated with the general running of the charity as opposed to those costs associated with direct charity activities.

Please note that, because last year's accounts were prepared under the accruals basis, it has been necessary to amend the comparative figures to reflect the change to an income and expenditure basis.

(d) Fixed assets

Fixed assets are stated at cost with no provision made for depreciation.

(e) Taxation

The charity is excepted within the meaning of the Taxes Act. Accordingly it is potentially exempt from taxation in respect of income and capital gains received to the extent that such income or gains are applied to exclusively charitable purposes. No provision for taxation has been made in these financial statements.

(f) Cash flow statement

The charity has taken advantage of the exemptions in Financial Reporting Standard 31 from producing a cash flow statement on the grounds that it is a small charity.

ACCOUNTANTS REPORT TO THE MEMBERS OF

HELPING HEARTS FYLDE

We have prepared the financial statements on pages 2 to 4 which have been prepared under the historical cost convention.

Respective Responsibilities of Association Officials and Accountant

The association officials are responsible for the preparation of the financial statements. It is our responsibility to form an independent opinion to you.

Basis of Opinion

We have conducted our accounting procedure in accordance with Auditing Standards and our examination includes evidence relevant to the amount of disclosures in the financial statements. Also, to whether the accounting policies are appropriate to the Associations circumstances, consistently applied and adequately disclosed.

This charity, in common with many others of similar size and organisation derives a substantial proportion of its income from voluntary donations which cannot be fully controlled until they are entered in the accounting records, and are not therefore susceptible to independent audit verification.

Otherwise, we planned and performed our accounting procedure as to obtain all the information and explanations which we consider necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements give a true and fair view of the state of the association's affairs at 31st May 2024, and of its expenditure over income for the year then ended.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Blackpool occupy 8 out of the top 10 most deprived areas in the UK. Helping Hearts Fylde (HHF) ensure a lifeline of a service is offered to those most in need which includes meals, food parcels, essential supplies for home or homeless and we are now growing our baby bank which includes nappies, wipes milk and other essentials. HHF has grown at a rapid pace since its conception in 2020, feeding around 10 people to now in the region of 150. The charity has grown as the demand and demographics, and we are seeing many more young families utilising our services. HHF rely on public support for kind donations as well as utilising local food banks for food and baby milk. Without the consistency of HHF providing this lifeline of a service many of the local community would struggle have warm clothing, food parcels, nutritious meals and the support and guidance we offer to assist with the likes of emergency accommodation or sign posting to other agencies. HHF work with multiple agencies across the UK to ensure we can operate this service and deliver this to our clients.
