Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The relief of sickness and the preservation and protection of the good health of young people aged between 11-25 by supporting research into cancer treatment and providing a network of support and information for young people and their families/carers in the UK
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We have organised and completed a number of fundraising events, we organised a sky dive with the support of Peterlee parachute Centre. We bought 35 running spaces for the great North run and held a presence in charity Village. We held our annual charity night which included a live and silent auction, a raffle and instant win prizes. These fundraising events have meant that we have been able to contribute towards a research project into developing proton beam therapy and to reduce tumour resistance to proton beam therapy caused by tumour hypoxia. As well supporting another charity which makes real hair wigs for young people with cancer. We attended a conference held by Bone Cancer Research and began to develop working relationships with other charities and

		professionals. We are in early stages of a supporting research by the institute of cancer research and have also made contact with a research pharmacist at Newcastle university to donate equipment to their research lab
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	All trustees are aware of the Charity Commissions guidance on public benefit.

Policy on grant making	Para 1.38	MROH currently does not give grants
Policy on social investment including program related investment	Para 1.38	
Contribution made by volunteers	Para 1.38	MROH is grateful for the many hour's volunteers given during our fundraising events. Our volunteers have helped organise, set up for our events and have contributed to getting donations. Without the valuable time given by the volunteers we would not have been able to raise the funds we have.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	This year our charity has carried out a number of fundraising activities such as a sky dive and our annual charity night which have raised funds. We have liaised with another small charity who carry out and fund research. We have been communicating and arranging to contribute funds into a project which is carrying out research into the developing and improving proton beam therapy and reducing the level of resistance of PBT caused by tumour hypoxia. The hope if this research can be successful in its second year and can go forward for a third year. We are also contributing funds to other charities which make an impact to the lives of those who have a diagnosis of cancer. We are contributing to the little princess trust who provide real hair wigs to young people with cancer. We are increasing our presence in the community to be a support to young people and their families/carers. We have begun to develop our own hardship fund which will go live in our next financial year, while MROH does not currently give grants our aim to change this and develop speedy funds to a young person or their families. This is in its very early stages currently however we have made a public pledge to deliver this next year. We have developed our relationships with other charities and professionals. We are currently in the progress of developing a working relationship with the institute of cancer research and we aim to support one of their research projects. We have also developed a working relationship with a research pharmacist at Newcastle university and are currently in the process of donating equipment to their research lab.

Achievements against objectives set	Para 1.41	wigs for young people with cancer via donated funds of £2000. MROH have also been able to become part of a research programme which is looking into improving proton beam therapy and to reduce resistance to PBT caused by tumour hypoxia MROH has donated £10,000 into this research project as it enters its second year.
Performance of fundraising activities against objectives set	Para 1.41	We have organised a sky dive with the support of Peterlee Parachute centre, we have bought 35 spaces for the great north run which all were taken and we had a presence within charity village. We organised and held our annual charity night. While we have completed the above fundraising events we have been incredibly honoured to have a number of fundraising events done for MROH. These events include the Great Glen Canoe Challenge, hike up Scafell Pike, 70 mile run across Hadrian's wall, Whickham school was chosen as one of the charities for their charity week, pizza and pasta night held by members of the Newcastle girls club and the spay river challenge. All of these incredible events have raised an donations for MROH which will be used to fund our hardship fund, research donations and to support us to organise future events.
