About the club:

Pendeen PGC is an amateur gig rowing club, based in the heart of Newlyn, Cornwall.

We moor our three training boats in Newlyn Harbour, and store our two wooden boats in Geevor mine, Pendeen.

One of our training boats, "Silent Mountain" , was built in memory of a young man who was a member of our club. This boat is a community gig, available for other clubs , charities, community groups.

Throughout the year we hold many social events and encourage all club members to participate in the maintenance of all our equipment . which also become social events in themselves.

PPGC is a very inclusive club. We have membership from ages 9-82, all abilities.

We are particularly proud of our junior and young peoples section. Gig rowing encourages team work and comradeship, and many new friendships are made within our club.

We have a rigorous safeguarding policy, and all adults who work with our junior section, either helping or coxing are DBS checked.

CLUB OBJECTIVES.
