Charity Registration Number: 1199953

Principal Office:
1 Chaucer Drive
Biggleswade
SG18 8QG
United Kingdom

Trustees

The trustees who served during the year and up to the date of this report were:

- Om Parkash
- Sat Paul MBE
- Amrik Palahi
- Tarsim Kalyan
- Dipika Chavda LLB

All trustees serve in a voluntary capacity.

Professional Advisers

Accountant:
HSR Accountants Ltd
18 Welbourne Gardens
Bedford
MK42 0NQ

Bankers:

Barclays Bank plc
Leicester
LE87 2BB

2. Structure, Governance and Management

The British Ravidassia Heritage Foundation (BRHF) is a Charitable Incorporated Organisation (CIO) registered in England and Wales. The charity is governed by its constitution and managed by a Board of Trustees.

The trustees are responsible for the overall management and control of the charity. They meet periodically to:

- Set strategic direction
- Review operational progress
- Monitor financial performance
- Assess risk and compliance

Trustees are appointed in accordance with the charity's governing document.

3. Objectives and Activities

Charitable Objective

The sole objective of the charity is:

To advance the education of the public in the life, times and philosophy of Satguru Ravidass.

In setting objectives and planning activities, the trustees have had due regard to the Charity Commission's public benefit guidance.

Public Benefit Statement

The trustees consider that the charity's activities provide public benefit by:

- Advancing knowledge and understanding of the historical and philosophical contributions of Satguru Ravidass

- Conducting and disseminating educational information
- Making resources accessible to the public

- Promoting understanding of the egalitarian and social justice principles central to his teachings and the concept of Begumpura – city without sorrow, caste discrimination, or servitude
- Engaging both the Ravidassia community and the wider public through seminars and media

The trustees are satisfied that all activities undertaken during the year were in furtherance of the charity's objectives and for public benefit.

Educational Strategy

The charity's strategy is to:

- Share with the public historical and socioreligious details
- Publish educational materials
- Translate resources into English to widen accessibility
- Deliver seminars nationally and internationally
- Utilise broadcast media to reach wider audiences

During the year, significant progress was made in sharing details of the **eight extensive missionary journeys** of Satguru Ravidass Ji, during which he propagated messages of equality, social reform and upliftment of the marginalised.

The researched material we are principally interested in is currently available in Punjabi. Translation into English is underway to ensure broader access for the public, particularly younger generations in the UK.

4. Achievements and Performance

Building upon previous years' groundwork, the charity expanded its outreach and educational engagement with Southampton University and Birmingham University

International Engagement

France

This year again trustees visited Paris to engage with the local community and share details and findings. The charity's historical educational calendar, containing lesser-known details about the life and travels of Satguru Ravidass, continues to be very popular.

India

The trustees were invited to present the project at several respected institutions and community gatherings, including:

- Guru Ravidass Historical Mandir, Chak Hakeem (Punjab)
 - World Peace Temple, Pathankot
 - Community seminar, Saharanpur (Uttar Pradesh)
 - Many meeting in Punjab with different organisations with similar objectives
-

Bangladesh

New and exciting collaboration was formed with the Dhaka University.

- They are very keen for BRHF to jointly deliver an educational seminar
- A lot of interest from the students
- Staff are deeply interested for this new topic to be explored

Planning was progressing well, with BRHF trustees making arrangements to travel to Bangladesh. However, these plans had to be halted suddenly due to the deteriorating political situation following the Prime Minister Sheikh Hasina fleeing the country, which created an unsafe and unstable environment. This area of work was paused until the situation in Bangladesh stabilise

Activities in England

Trustees engaged with communities in:

- Strood (Kent)
- Newham (London)
- Coventry
- Birmingham
- Wolverhampton

Demand exceeded capacity, demonstrating growing interest in the charity's work.

Media and Public Outreach

The charity's well established working relationship with Kanshi TV, a community television platform broadcast via Sky and accessible internationally, has been maintained, securing long-term delivery through weekly live telecast programmes.

The charity:

- Shared the concept of over 600 years old history and its relevance today
- Engaged audiences through discussion
- Collected public feedback
- Promoted awareness of the egalitarian philosophy of Satguru Ravidass

This has significantly increased national and international reach.

5. Financial Review

The charity's financial position for the year is set out in the attached accounts.

The trustees have maintained proper accounting records in accordance with statutory requirements. Income has been applied solely towards the furtherance of the charity's objectives.

Expenditure during the year primarily related to:

- Travel for educational outreach
- Publication and printing of materials
- Media engagement

The trustees continue to monitor income and expenditure carefully to ensure financial sustainability.

Reserves Policy

The trustees recognise the importance of maintaining appropriate reserves to ensure continuity of operations and to manage unforeseen circumstances.

Given the charity's current size and funding model, the trustees aim to maintain modest unrestricted reserves sufficient to cover essential operating costs for a reasonable period.

Reserves levels are reviewed annually.

6. Risk Management

The trustees have considered the major risks to which the charity is exposed and have established systems to mitigate them.

Key Risks and Mitigation

Financial Risk

Mitigated through budgeting, monitoring expenditure, and seeking donations and funding opportunities.

Governance and Compliance Risk

Mitigated through regular trustee meetings, professional accounting support, and adherence to Charity Commission guidance.

Reputational Risk

Mitigated by ensuring research is evidence-based (by the original author), communications are reviewed carefully, and engagement remains respectful, educational and focused on the topic

Operational Capacity Risk

Mitigated by shared trustee responsibilities and collaborative working with community organisations.

Data Protection Risk

Mitigated by limiting personal data collection and ensuring secure storage in line with UK data protection principles.

7. Plans for Future Periods

The trustees intend to:

1. Organise national and international seminars involving community members and academic.
2. Complete the English translation of 'Guru Ravidass Pargas De Khoj', containing details of the eight missionary journeys.
3. Seek grant funding and sustainable income sources.

4. Expand publication and digital dissemination of educational materials.

8. Trustees' Responsibilities Statement

The trustees are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and regulations.

The trustees are responsible for:

- Keeping adequate accounting records
- Safeguarding the assets of the charity
- Preventing and detecting fraud and irregularities
- Ensuring funds are used in furtherance of the charity's objectives

The trustees confirm that they have complied with their duties under charity law.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

Income

Recognition of income Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.

Income with related expenditure Where income has related expenditure the income and related expenditure is reported gross in the SoFA.

Donations and legacies Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.

Tax reclaims on donations and gifts Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.

Donated services and facilities These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.

Volunteer help The value of any volunteer help received is not included in the accounts.

Investment income This is included in the accounts when receivable.

Gains/(losses) on revaluation of fixed assets This includes any gain or loss resulting from revaluing investments to market value at the end of the year.

Gains/(losses) on investment assets This includes any gain or loss on the sale of investments.

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Equipment	20% reducing balance
-----------	----------------------

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period.

Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred.

All exchange differences are taken into account in arriving at net income/expenditure.

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.

Objective

The sole objective of the charity is:

To advance the education of the public in the topic of the life, time and philosophy of Satguru Ravidass ji

Strategies

In line with the aims of the charity we plan to make credible information relating to Satguru Ravidass ji available to all who wish to further their knowledge on the topic

Much of this year's work was focused on the 8 extensive missionary journeys of Satguru Ravidass Ji, when he travelled vastly propagating the message of egalitarianism. This work is now available in Punjabi and efforts are being made to have it translated to English for the benefit of the wider public

Ethos

Whilst maintaining due respect for the traditionally held viewpoints, notably take a fresh look from a more contemporary angle and in 21st century language to infer a deeper and wider insight. The dual benefits of the output will be:

- (a) It will have the potential of connecting future Ravidassia generations to their heritage and ancestral roots.
- (b) It will be a knowledge-based resource for the benefit of the present and future generations of the global Ravidassia community and the wider community

Expected

The outcomes will connect the present and future British born Ravidassia generations to their ancestral roots and heritage which are otherwise at risk of being permanently lost under the dust of time.

Loss of a trustee

With great sadness we report the loss of a very experienced and valuable trustee, Mr Roop Lal Paul – treasurer to the charity, who passed away very suddenly and unexpectedly. The feeling of grief at the demise of a dear colleague will remain for a long time to come.

Activities and achievements

Building upon the groundwork laid by the previous year the charity continued the community engagement efforts and developing working collaborations with other organisations based in England and abroad:

France

The trustees of the charity personally travelled to Paris, France on 2 occasions to connect with the community there and share the data accumulated so far. This was also a great opportunity to distribute the first historical calendar disseminating rarely known details of the historical life and travels of Satguru Ravidass ji.

India

This year's India visit proved very fruitful, with reputable organisations inviting the BRHF to their major events to present the project to the substantial gatherings. This included organisations like:

- Bhagwan Valmik Ashram at Nakodar, Punjab
- Guru Ravidass Historical Mandir at Chak Hakeem, Punjab
- Bhagwan Valmik Mandir at Amritsar, Punjab
- World Peace Temple at Pathan Kot
- Guru Ravidass temple at Udhampur, (J.K.) Jammu and Kashmir
- A seminar was organised by the community at Saharanpur, U.P.
- An international seminar organised by JNU Jawaharlal Nehru University Delhi.

In line with our plan from last year, we feel proud to announce that a library dedicated to Satguru Ravidass Ji is now established at JNU Delhi.

Italy

During the early part of January 2024, the trustees of BRHF were honoured by an invitation from Italy to share the project work with the community there. This very busy 3-day trip was not long enough to meet the demands of the community and we returned with a view of another visit in the future.

Holland

We are delighted to have received invitations from 2 Ravidassia organisations based in Holland. This was a great opportunity to connect with a relatively young community of Indian background settling in Europe who greatly valued the project and are enthusiastic to learn more about Satguru Ravidass Ji.

England

Here in England the popularity of the project continues to grow with BRHF trustees being invited to connect with the community at Strood Kent, Newham London, Bedford, Coventry, Birmingham and Wolverhampton. At each event attended in England and abroad our very popular calendars were circulated widely and we quickly realised that the demand was greater than the quantity we produced.

To reach out and interact with the widest possible national and international Ravidassia community audience, (and the wider community) the trustees established a mutual working relationship with Kanshi TV platform which is televised on SKY channel reaching over 200 countries. The weekly live telecast programmes by British Ravidassia Heritage Foundation are engaging with the viewers, sharing the work of the charity and collecting viewpoints and suggestions via live phone-in facility. Our working relationship with the trustees of Kanshi TV, a community TV station, is well established and great progress has been made in sharing the progress of our project 'tracing the Footprints of Satguru Ravidass Ji in history', by engaging with the Ravidassia community and the wider public through televising live programmes.

Plans for the coming years

- 1/ Research / Data Collection and analytical study to continue
- 2/ National and International Seminars – engaging community and academics.
- 3/ Complete the translation work of the 8 journeys of Satguru Ravidass Ji to English
- 4/ Secure funding to elevate the work of the project to the next level

Statement of Trustees' responsibility

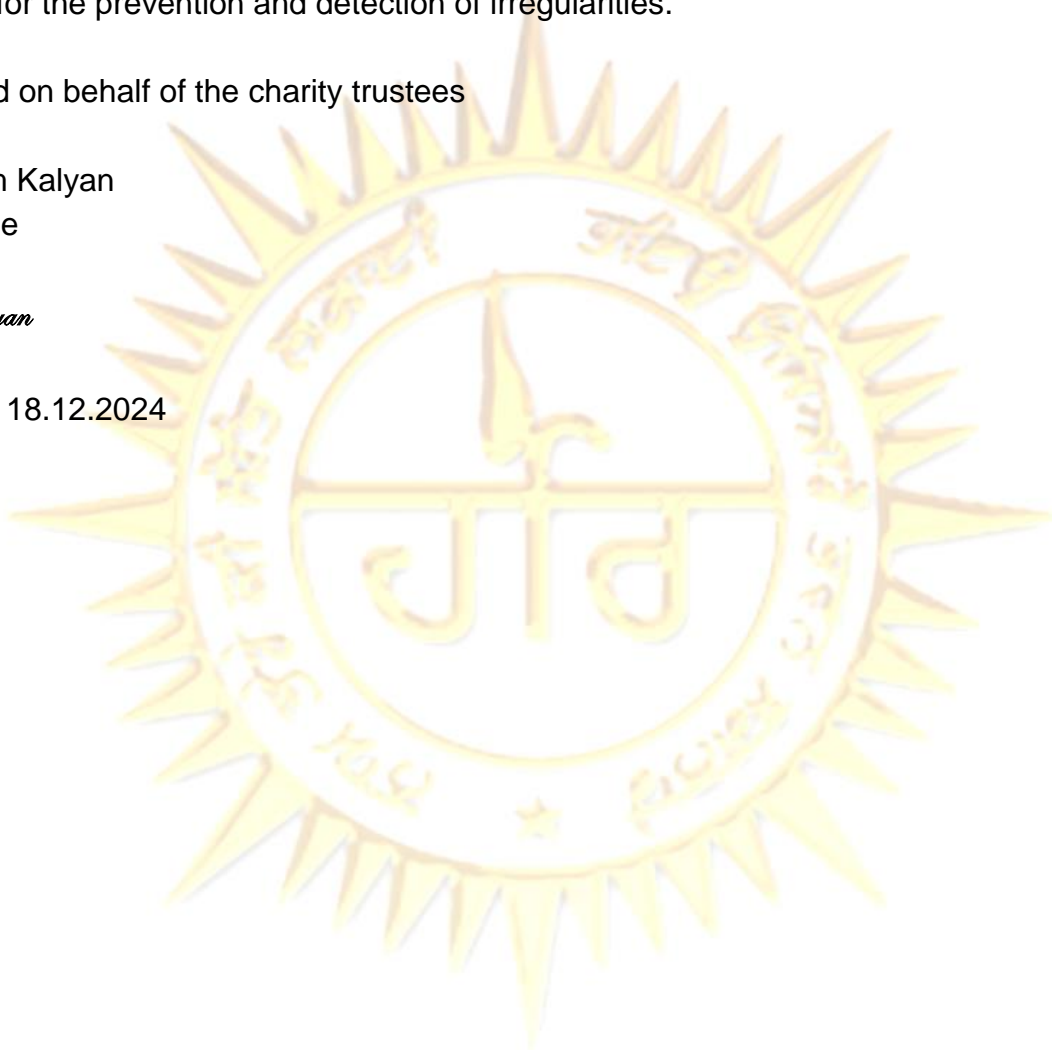

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of irregularities.

PLANS FOR FUTURE PERIODS

- 1/ Research / Data Collection and analytical study to continue
- 2/ National and International Seminars – engaging community and academics.
- 3/ Complete the translation work of the 8 journeys of Satguru Ravidass Ji to English
- 4/ Secure funding to elevate the work of the project to the next level

STRUCTURE, GOVERNANCE AND MANAGEMENT

The type of governing document adopted is Constitution and the charity is constituted as a CIO.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with the provisions applicable to companies subject to the small companies regime as set out in Part 15 of the Companies Act 2006 and in accordance with the Charities SORP (FRS 102).

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Fund accounting

Unrestricted funds These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.

Designated funds These are unrestricted funds earmarked by the trustees for particular purposes.

Revaluation funds These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.

Restricted funds These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

Income

Recognition of income Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.

Income with related expenditure Where income has related expenditure the income and related expenditure is reported gross in the SoFA.

Donations and legacies Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.

Tax reclaims on donations and gifts Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.

Donated services and facilities These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.

Volunteer help The value of any volunteer help received is not included in the accounts.

Investment income This is included in the accounts when receivable.

Gains/(losses) on revaluation of fixed assets This includes any gain or loss resulting from revaluing investments to market value at the end of the year.

Gains/(losses) on investment assets This includes any gain or loss on the sale of investments.

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Equipment	20% reducing balance
-----------	----------------------

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period.

Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred.

All exchange differences are taken into account in arriving at net income/expenditure.

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.

Tarsim Kalyan
Dipika Chavda
Poonam Sangrey

Accountant

HSR Accountants Ltd
18 Welbourne Gardens
Bedford MK42 0NQ

Bankers

Barclays
Leicester
LE87 2BB

Objective

The sole objective of the charity is:

To advance the education of the public in the topic of the life, time and philosophy of Satguru Ravidass ji

Strategies

In line with the aims of the charity we plan to make credible information relating to Satguru Ravidass ji available to all who wish to further their knowledge on the topic

by:

Undertaking academic research and collecting literature and artifacts relating to Satguru Ravidass Ji for analysis from a contemporary angle to identify and promote the importance and relevance of the over 600-year-old history, heritage, and philosophy for present day society.

Whilst maintaining due respect for the traditionally held viewpoints, notably take a fresh look from a more scientific angle to infer a deeper and wider insight. The dual benefits of the output will be:

- (a) It will have the potential of connecting future Ravidassia generations to their heritage and ancestral roots.
- (b) It will be a knowledge-based resource for the benefit of the wider global community

The outcomes will connect the present and future British born Ravidassia generations to their ancestral roots and heritage which are otherwise at risk of being permanently lost under the dust of time.

Activities and achievements

Based upon the extensive and very successful community engagement and consultation programme undertaken the charity moved forward:

- Started collection of literature in different languages relating to Guru Ravidass Ji as our data, heritage, information, and artifacts collection efforts.
- Established links with reputable national and international universities:
Banaras Hindu University (BHU),
Indra Gandhi National Open University (IGNOU),
Jawaharlal Nehru University (JNU),
Punjabi University Patiala (PUP),

Panjab University Chandigarh (PUC)
University of Wolverhampton (UoW)

and academics, scholars, learned educationalists, community groups and faith establishments to forge a working collaboration with the view of organising academic seminars to further the objective of the charity.

- To reach and interact with the widest possible national and international Ravidassia community audience, (and the wider community) the trustees established a mutual working relationship with Kanshi TV platform which is televised on SKY channel reaching over 200 countries. The weekly live telecast programmes by British Ravidassia Heritage Foundation are engaging with the viewers, sharing the work of the charity and collecting viewpoints and suggestions via live phone-in facility.

- On Saturday 25th March 2023, BRHF and (UoW) University of Wolverhampton jointly organised an international seminar on the Life, Time, and Philosophy of Satguru Ravidass ji which was sponsored by Guru Ravidass Sabha Wolverhampton and attracted over 200 attendees from the diverse section of the community and academics. As well as bringing the community together it also created an excitement for the international community to work together to establish our heritage which is much needed and overdue.

Plans for the coming years

- 1/ Research / Data Collection and analytical study.
- 2/ National and International Seminars – engaging community and academics.
- 3/ Collection of books - with the aim of establishing a library dedicated to Satguru Ravidass Ji.
- 4/ Details of the 8 journeys of Satguru Ravidass Ji to be translated to English
- 5/ Collection of Heritage related artifacts

Statement of Trustees' responsibility

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of irregularities.

Signed on behalf of the charity trustees

Om Parkash

**Accountant's report to the Board of Trustees
on the Unaudited Financial statements of
British Ravidassia Heritage – Foundation**

In accordance with our terms of engagement and in order to assist you to fulfill your legal obligations under the Charities Act 2011, the trust deed and the Charities SORP 2019, we have compiled from the accounting records and information and explanations you have given to us the unaudited financial statements of the charity for the year ended 31st May 2023 which comprise the Income and Expenditure Accounts, the *Balance* Sheet and related notes.

This report is made to the charity's Board of Trustees, as a body, in accordance with the terms of our engagement. Our work has been undertaken to fulfill the Charity's statutory responsibilities and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's Board of Trustees, as a body, for our work or for this report.

We have carried out this engagement in accordance with technical guidance issued by the Institute of Financial Accountants (IFA) and have complied with the ethical guidance laid down by the institute relating to members undertaking the compilation of financial statements.

You are responsible for the preparation of the financial statements for the year ended 31st May 2023 that gives a true and fair view under the Charities Act 2011. It is your duty to ensure that you have kept proper accounting records and you consider that the Charity is exempt from the statutory requirement for an audit for the period.

We have not been instructed to carry out an audit of the financial statements. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.
