Structure, governance and management

The method of appointment of PCC members is set out in the Church Representation Rules. All who attend our church are encouraged to register on the electoral Roll and stand for election to the PCC.

A Standing Committee made up of the Vicar, Churchwardens, PCC Vice Chairman, PCC Treasurer, PCC secretary and one other member meets as and when necessary to consider matters which need immediate or urgent attention.

We have a Subcommittee that looks at and deals with the Fabric (including Buildings sub-committee). As we now have an administration team, most things are dealt with by the admin team.

Objectives and Activities

Goole Parochial Church Council (PCC) has the responsibility of co-operating with the Vicar of Goole in promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. The "ecclesiastical parish" bears little relationship to the "civil boundaries" and therefore finds itself ministering to many people who properly belong to neighbouring parishes.

Achievements and Performance

The number on the Electoral Roll at the end of December stood at 104.

Hannah and the team have been running various courses including Alpha and prayer meetings. We now have a "wild tots" group, youth group, Ewes (Encouraging women empathy sharing) Sunday lunch once a month, Coffee mornings and "Bob" group (band of brothers) and a Saturday Café once a month.

Rev'd Peter Kay deals with the Life Events Weddings Baptisms Funerals. Ben Shaun and Hannah help with these. We continued covering the Marshlands area until the end of the year.

Contact is still maintained with as many people as possible, through Church newsletter and telephone contact.

We are looking at have a Life & Hope Garden around the church grounds and toilets in the Church.

**Parish of Goole – St John the Evangelist
Annual Report of the Parochial Church Council
for the year ended 31st December 2024
Report of the Trustees' continued**

The PCC met 8 times during 2024 and usually try to have April as the APCM, August as a free month and no meeting in December due to this month being busy with Christmas events.

Fundraising is starting to take place through having craft fayres on some Saturday mornings when we have the Saturday café. We keep Zoe Kemp and Jonny Patton busy with applications for Grant funding.

Those who pay income tax at the standard rate are encouraged to make a Gift Aid declaration.

We continue to explore avenues of fundraising and grant applications.

We are part of a Mission partnership which has been set up amongst our neighbouring Churches in our Deanery.

We now have more bookings for the Spire Centre. We have a ramp to get into the building for those in wheelchairs and who have problems with stairs.

For services in Church, we currently have to use the outside toilet available at the Spire Centre but are aiming to have toilets inside the church when finances allow us to do this. We started at the end of the year having drainage laid from the church to join up with the mains drainage to start the process.

We have had a car park put on the grounds with some marked for the disabled patrons who attend church.

We have been able to install CCTV covering the Church and grounds through receiving a grant.

We have started working with the Mission to Seafarers.

Some of the belfry windows have required replacement

We continue to work towards a Life & Hope Garden around the outside of the Church. We have had plans drawn up which are amazing and hope at some point in the future, grants permitting, that we will be able to complete this project.

Achievements and Performance

The number on the Electoral Roll at the end of December stood at 98.

Due to the Covid 19 Pandemic and various Government lockdowns, as a congregation we slowly moved back to what would become our "normal" services. At communion the bread is now dipped in the wine before giving out to the congregation. Although we greet everyone, not all shake hands with each other still.

Hannah and the team have been running various courses including Alpha and prayer meetings.

Weddings and Baptisms have been taking place. Funerals have been taking place without being restricted to numbers as was during the pandemic

Contact is still maintained with as many people as possible, through Church newsletter and telephone contact.

Review of the year

The PCC met 10 times during 2023 and usually try to have August as a free month and there was no meeting in December.

Fundraising is starting to take place through having craft fayres on some Saturday mornings when we have the Saturday café.

Those who pay income tax at the standard rate are encouraged to make a Gift Aid declaration.

We continue to explore avenues of fundraising and grant applications.

We are part of a Mission partnership which has been set up amongst our neighbouring Churches in our Deanery.

At the beginning of 2023 we undertook much needed work to the South slope of the Nave roof. At the same time we did work to the windows on that side of the building. This has help stop water damage in three places and also secured the windows on that side of the building for another generation. In total it cost around £117k, which was paid from church donations and also church funds previously raised and secured in the past. Yorkshire Historic Churches Trust also awarded us £6K as part of the work.

After the EICR Electrical Installation condition report it was noted some significant work was needed on our electrics, with parts being labelled as dangerous. The cost of this work was around £3.7k.

During a particularly stormy season we had some damage to the cottage, where the vegetation was disrupted and it was taking part of the roof and stonework with it. Due to our finances being tied up in the Nave roof and windows project, the Diocese of Sheffield awarded us an emergency grant of £5k to have the vegetation removed and some hoarding to be put up, to protect the rear playground from any falling debris.
