Great Causes II

Report of the Trustees for the Year Ended 31 May 2025

The trustees present their report with the financial statements of the charity for the year ended 31 May 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The main objective of Great Causes II (GCII) is the advancement of health for public benefit by preserving and protecting the health of those in need of treatment and care. GCII works with professionals and experts to deliver targeted and systematic improvements in healthcare.

The trustees seek to build close working relationships, with carefully selected partners, to provide seed funding for projects that are designed to tackle complex and seemingly intractable problems and deliver impactful and scalable solutions.

The trustees identify and select registered charity partners through our independent research. The trustees offer targeted funding and support to help deliver positive outcomes, reduce project costs and amplify their impact. The trustees do not respond to unsolicited requests for funding and all donations of money and time were made by trustees.

Significant activities

During the financial reporting year, the charity continued its work with St Christopher's Hospice and MIND. It also started working with a new grantee, Mental Health Innovations (MHI).

MIND's Supported Self-Help pilot project ended in November 2024, and the charity supported the following ongoing projects during the year:

St Christopher's Hospice "Practice Development project" 2023/24

St Christopher's Hospice pilot Project "Change-makers" (previously known as Masterclass) 2024/2026

MHI Project (Self-Paced Learning Tool) 2025/26 that started in late December 2024

Public benefit

When considering where to focus our attention, all our trustees have regard to the Charity Commission's guidance on public benefit and what this means for sustainability of Great Causes II.

Grantmaking

Grants are made in accordance with charity law, our constitution, signed agreements, trustees agreement and the reliance of our primary donor for funding. In making grants, we endeavour to reflect the wishes our charity partners by directing funds towards areas they tell us are most in need with the biggest outcomes for the public benefit.

FINANCIAL REVIEW

Reserves policy

It is the policy of GCII to only hold sufficient reserves so as to cover operating costs. The trustees will request funds from the primary donor on an 'as needed' basis.

GCII is currently dependent on one trustee for donations who has provided a committed statement on file to fund the day to day needs and further projects for the charity, for the foreseeable future. To ensure the sustainability of GCII going forward, work has been completed (January 2025) by creating an independent fund to provide capital and income.

During the year, £365,000 (2024: £2,000) was donated by the principal donors/trustee to cover funding and ongoing administrative costs of the charity. As at 31 May 2025, unrestricted funds held were £317,052 (2024: £29,838).

There are no restricted funds.

STRUCTURE, GOVERNANCE AND MANAGEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Report of the Trustees for the Year Ended 31 May 2024

The trustees present their report with the financial statements of the charity for the year ended 31 May 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The main objective of the charity is the advancement of health for public benefit by preserving and protecting the health of those in need of treatment and care. Great Causes II (GCII) works with professionals and experts to deliver targeted and systematic improvements in healthcare.

We seek to build close working relationships, with carefully selected partners, to provide seed funding for projects that are designed to tackle complex and seemingly intractable problems and deliver impactful and scalable solutions.

We identify and select our partners through our independent research. We offer targeted funding and support to help deliver positive outcomes, reduce costs and amplify their impact. We do not respond to unsolicited requests for funding and all donations of money and time were made by trustees.

Significant activities

Activity during the year involved monitoring and working with the two charities undertaking three long-term projects entered late in the previous financial year. It is intended that new projects will be entered in the second half of 2024.

Public benefit

When considering where to focus our attention, all our trustees have regard to the Charity Commission's guidance on public benefit and what this means for sustainability of Great Causes II.

Grantmaking

Grants are made in accordance with charity law, our constitution, signed agreements, trustees agreement and the reliance of our primary donor for funding. In making grants, we endeavour to reflect the wishes our charity partners by directing funds towards areas they tell us are most in need with the biggest outcomes for the public benefit.

FINANCIAL REVIEW

Reserves policy

It is the policy of GCII to only hold sufficient reserves so as to cover operating costs. The trustees will request funds from the primary donor on an 'as needed' basis.

GCII is currently dependent one trustee for donations who has provided a committed statement on file to fund the day to day needs and further projects for the charity, for the foreseeable future. Great Causes II

Report of the Trustees for the Period 9 August 2022 to 31 May 2023

The trustees present their report with the financial statements of the charity for the period 9 August 2022 to 31 May 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The main objective of the charity is the advancement of health for public benefit by preserving and protecting the health of those in need of treatment and care. Great Causes II (GCII) works with professionals and experts to deliver targeted and systematic improvements in healthcare.

We seek to build close working relationships, with carefully selected partners, to provide seed funding for projects that are designed to tackle complex and seemingly intractable problems and deliver impactful and scalable solutions.

We identify and select our partners through our independent research. We offer targeted funding and support to help deliver positive outcomes, reduce costs and amplify their impact. We do not respond to unsolicited requests for funding and all donations of money and time were made by trustees.

Significant activities

During the period, the trustees engaged with two leading health charities on three key projects:

Projects 1 & 2 - St Christopher's Hospice

The aim of these projects is to work towards improving the experience for people that are terminally ill or are bereaved both in the UK and internationally. St Christopher's Hospice is developing two important and cutting-edge initiatives. The first (Project 1) brings to life an all-important report published in 2021 by the Lancet regarding the value of death and how global inequities at the end of life can and must be addressed. Project 2 is a new undertaking that will improve the practice of nurses delivering palliative care and by extension, the experience of the terminally ill (End of Life care for the public benefit).

Project 3 - Mind

GCII works with Mind to drive for innovation in developing a cost effective, early support digital offering as part of Mind's supported self-help programme. The goal is to support Mind scale-up an existing successful programme it delivered in Wales.

Public benefit

When considering where to focus our attention, all our trustees have regard to the Charity Commission's guidance on public benefit and what this means for sustainability of Great Causes II.

Grant making

Grants are made in accordance with charity law, our constitution, signed agreements, trustees agreement and the reliance of our primary donor for funding. In making grants, we endeavour to reflect the wishes our charity partners by directing funds towards areas they tell us are most in need with the biggest outcomes for the public benefit. During the period to 31 May 2023 grants totalling £88,200 were made.

FINANCIAL REVIEW

Reserves policy

It is the policy of GCII to only hold sufficient reserves so as to cover operating costs.

GCII is currently dependent on trustees and their families for donations, one of whom has provided a committed statement on file to fund the day to day needs and further projects for the charity, for the foreseeable future.

To ensure the sustainability of GCII going forward, work has begun to create an independent fund to provide capital and income.

During the period, £103,667 was donated by the trustees and their families to cover the initial set up and ongoing administrative costs of the charity as well as grants made to the partner organisations. As at 31 May 2023, unrestricted funds held were £6,830.

There are no restricted funds.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Independent examiner's report to the trustees of Great Causes II

I report to the charity trustees on my examination of the accounts of Great Causes II (the Trust) for the period 9 August 2022 to 31 May 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act;
or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.
