Trustees' Report
For the Year Ended 31 March 2025

The Trustees present their annual report together with the financial statements of the UK Neurointerventional Group for the year ended 31 March 2025. The Charity obtained registration with The Charity Commission for England and Wales on 11 August 2022. The Companies House number is CE029963.

Objectives and activities

a. Policies and objectives

The UK Neurointerventional Group (UKNG) represents Specialist Doctors who perform minimally invasive operations on the brain, spine, head and neck blood vessels. Their objective is to provide effective, safe and sustainable interventional neuroradiology.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public Benefit: running a charity (PB2)'.

The Charity has the following objectives, to:

- Promote high standards in the clinical practice of Neurointervention throughout the UK;
- Promote the place of Neurointervention (also known as Interventional Neuroradiology [INR]) as a core discipline of the clinical neurosciences;
- Advise and collaborate with regulatory and professional bodies regarding development of guidelines and standards for the practice of interventional neuroradiology including diagnostic neuroradiology relevant to INR practice (which includes standards for facilities, delivery of service and professional abilities);
- Support the clinical practice and continuing professional development of UK Neurointerventionists;
- Ensure, in collaboration with the Royal College of Radiologists, the General Medical Council and any other relevant body, that training and education of Neurointerventionists & all those operating within this area of clinical practice are appropriate and of a high standard;
- Monitor and advise on the number of UK INR trainees and training posts in order to assist in balancing supply and demand for Neurointerventionists;
- Stimulate and encourage research and research networks including ethical collaboration with radiological and therapeutic equipment manufacturers and in particular to support the scientific evaluation of equipment and devices by high quality trials;
- Develop and maintain relationships with national and international professional bodies relevant to Neurointervention;
- Foster communication with patient groups; and
- Promote Neurointervention to medical students, junior doctors and trainee radiologists as a rewarding and enjoyable career.

**UK Neurointerventional Group
(A Charitable Incorporated Organisation)**

**Trustees' Report (continued)
For the Year Ended 31 March 2025**

Objectives and activities (continued)

b. Strategies for achieving objectives

The Charity has the following strategies to achieve its objectives:

- Publish standards, host and or promote scientific / educational meetings;
- Interface with Royal College of Radiologists (RCR) and Allied Speciality Interest Groups (SIGs);
- Work with the Royal College of Radiologists and regulatory bodies on clinical guidance, curriculum development, planning and delivery of training;
- Run biannual UKNG meeting to provide forum for learning, sharing experience and encouraging good practice;
- Respond to enquiries from, or concerns expressed by members;
- Contribute to multidisciplinary work to develop clinical services;
- Develop clinical guidance and cascade information to the INR community;
- Network to break down barriers to research and foster good research practices;
- Develop trainee days associated with UKNG meetings;
- Encourage INR trainee involvement in UKNG work;
- Cooperative work with patients groups / charities (Stroke Association); and
- Develop a social media strategy.

c. Activities undertaken to achieve objectives

The Charity partakes in the following activities to achieve its objectives:

- Run biannual UKNG meetings;
- Work of the three UKNG sub-committees (Standards sub-committee, Training Education and Research sub-committee, Communications and Liaison sub-committee);
- Encourage participation of UKNG members in the group's activities;
- Communication with allied Speciality Interest Groups: British Society of Neuroradiologists, British Society of Interventional Radiology, British Neurovascular Group Meeting, British & Irish Association of Stroke Physicians;
- Run trainee educational days and webinars;
- UKNG member contributions to the European Course in Minimally Invasive Neurological Therapy (and similar courses);
- Run a UKNG / Industry liaison day;
- Representation on the Intercollegiate Stroke Working Party;
- Representation on the NHSE Thrombectomy Implementation Group;
- Representation on various Royal College of Radiologists committees;
- Publication of papers / commentaries covering standards, education, training and research;
- Perform national surveys to gather data about INR and trainee numbers;
- Coordinating research and audit activities;
- Developing peer review processes; and
- Engaging with marketing professionals to develop a social media profile and strategy.

(A Charitable Incorporated Organisation)**

**Trustees' Report (continued)
For the Year Ended 31 March 2025**

Objectives and activities (continued)

d. Main activities undertaken to further the Charity's purposes for the public benefit

As well as likely public benefit from some of the activities listed above, the Charity undertakes the following activities for public benefit:

- Work to expand availability of mechanical thrombectomy services in the UK;
- Contribution to the Sentinel Stroke National Audit Programme; and
- Contribution to Stroke Association activities including the Saving Brains campaign.

Achievements and performance

a. Main achievements of the Charity

The main achievements of the Charity were as follows:

- Running UKNG meetings;
- Representing the community of INRs in the UK;
- Expanding INR / MT training opportunities in the UK;
- Contributions to Royal College of Radiologists work (maintaining a focus on quality and standards); and
- Engaging a marketing company.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees ensure that the reserves remain at an adequate level to facilitate the hosting of their meetings, which occur twice a year. All reserves are unrestricted and include designated funds.

Structure, governance and management

a. Constitution

UK Neurointerventional Group is a registered charity, number 1200037, company number CE029963, and is constituted as a Charitable Incorporated Organisation.

b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the CIO - Foundation.

UK Neurointerventional Group
(A Charitable Incorporated Organisation)

Trustees' Report (continued)
For the Year Ended 31 March 2025

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the CIO. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees on 7 May 2025 and signed on their behalf by:

Independent Examiner's Report
For the Year Ended 31 March 2025

Independent Examiner's Report to the Trustees of UK Neurointerventional Group ('the Charity')

I report to the Charity Trustees on my examination of the accounts of the Charity for the year ended 31 March 2025.

Responsibilities and Basis of Report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

UK Neurointerventional Group
(A Charitable Incorporated Organisation)

Independent Examiner's Report (continued)
For the Year Ended 31 March 2025

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

Signed:

UK Neurointerventional Group
(A Charitable Incorporated Organisation)

Notes to the Financial Statements
For the Year Ended 31 March 2025

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

UK Neurointerventional Group meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Going concern

The financial statements have been prepared on a going concern basis. The Charity's current financial position, future forecasts, and available resources indicate that there are no material uncertainties that would cast significant doubt on its ability to continue operating as a going concern for at least 12 months from the date of approval of the financial statements.

1.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs and costs relating to the governance of the company.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**UK Neurointerventional Group
(A Charitable Incorporated Organisation)**

**Notes to the Financial Statements
For the Year Ended 31 March 2025**

1. Accounting policies (continued)

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

1.8 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.
