Trustees report 2024-2025

The Epping Amateur Boxing Club has continued to deliver the physical training and mental wellbeing to its young members throughout the year, the success achieved this year has been extremely pleasing as we have produced both national and international boxing champions.

Our membership has grown, and the members have benefited from being in a friendly environment that takes care to ensure that their all-round development is being enhanced in a very positive way both mentally and physically.

The club continues to be aware of the increase in costs regarding overheads and constantly looking at ways to raise funds. The club received a generous donation from Barnardo's which has gone a long way to securing its immediate future.

We look forward to the next year and continuing our mentoring of young members in their development into young adults.
