

THE EPPING AMATEUR BOXING CLUB ANNUAL REPORT 2022-2023

The trustees are pleased to report that 2022-2023 has been a very productive and successful year both inside and outside the ring. In the competitive boxing season that runs from October 1st to May 31st, our members boys, girls, young men & women have competed all over the country on many of the Aliance Boxing Association Clubs shows including our own annual club show in November, displaying great courage and skill, three of our members became National Champions of which we are very proud. Our membership continues to grow with more young people joining as we continue to work with them to assist their all-round physical and mental well-being. Epping ABC has become a very important part of the local and surrounding areas providing a safe environment for our members to grow and develop, we look forward to the new season with great enthusiasm...
