Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity took over the running of the community centre building from North Tawton Youth Club. During the period, running expenses were covered by income from venue hire. The charity has sufficient funds in reserve to cover anticipated future running costs.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held to cover building running costs, repairs and maintenance. Trustees have discussed and agreed that in future reserves will be managed in a way to balance the need for instant short term access to some reserves, with some reserves in notice period accounts to obtain higher rate of return. At year end, all reserves were held on current account – investment in notice period accounts of reserves commenced in the next financial period to July 2024.
Amount of reserves held	Para 1.22	£20,700
Reasons for holding zero reserves	Para 1.22	n/a
Details of fund materially in deficit	Para 1.24	n/a
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	None for this period of account. However, after period end, and before agreeing accounts, it should be noted that our main customer has given notice. This does not impact the going concern viability in the short term (current reserves are sufficient to cover approx. four year's of running cost). Trustees are meeting regularly to discuss alternative strategies.
