Upton upon Severn Baptist Church

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 JULY 2025

This report presents the activities, achievements, and financial performance of Upton upon Severn Baptist Church for the period from August 2024 to July 2025. The Church is committed to serving the spiritual, social, and community needs of Upton upon Severn and surrounding areas.

Objects of the charity

The charity, which is a church, is governed by a constitution and is constituted as a charitable incorporated organisation. The charity's principal objects, as set out in its governing document, are:

- a) The advancement of the Christian faith according to the principles of the Baptist denomination.
- b) The Church may also advance education and carry out other charitable purposes in the United Kingdom and/or other parts of the world.

Summary of the charity's main activities and achievements

The primary objective of Upton upon Severn Baptist Church is to promote the Christian faith and demonstrate love and service to the local community. During this reporting period, we have engaged in a variety of activities, including:

Worship Services: Regular Sunday morning worship services have been held, averaging an attendance of 50-70 individuals. Special services, including Christmas, Easter and Festival celebrations, attracted increased participation. We celebrated Believer Baptisms in October and again in June.

Bible Study and Prayer Meetings: Bible study sessions/courses and prayer meetings were held, encouraging spiritual growth among attendees. A new Book Club was launched and continues to thrive.

In Memory: We gave thanks for the life and service of Samuel Magovern who died whilst serving as a trustee. Sam was a treasured member of the church and leadership team over many years offering practical skills, wisdom and support. He gave of his time generously and is greatly missed and was a passionate advocate and supporter of the ongoing chapel restoration project.

Pilgrimage: In May a number of people undertook the Golden Valley Pilgrim Way, a 60-mile circular walking route starting and ending at Hereford Cathedral, a 7 day journey through Herefordshire and the Welsh border. It connects the Wye Valley, Golden Valley, and Black Mountains, featuring ancient churches, ruined castles, and holy wells.

Community Outreach: Initiatives such as the Shared Front Room, Community Fridge, Community Shed, food bank, community meals, and support groups for vulnerable members of the community were organised, fostering inclusivity and support for those in need.

Youth and Children's Programmes: Weekly Sunday Forest School group, weekly toddler group, monthly Messy Church, and annual holiday clubs provided engaging opportunities for children and young people to learn about faith in a fun and interactive way. Often healthy food was provided for parents, children and carers. The Minister serves as a School Governor and leads Collective Worship at the school fortnightly.

Holiday Club: We welcomed Gemma Hunt from CBeebies Swashbuckle for the finale of our Holiday Club with a family Pirate Praise Party. This was very well attended and engaged a large number of local families.

African Children's Choir: In April we welcomed Ubuntu, an alumni choir from the African Children's Choir. The young adults came predominately from Uganda and were hosted locally with host families for two nights. A sell out concert raised significant funds for the ongoing work of Music for Life.

Community Engagement: The Shared Front Room and donation box cafe is open daily serving warm drinks, soup and cakes. Fortnightly community breakfasts for men and regular meals with entertainment for Older Persons have helped strengthen relationships within the church and the wider community. Festivals Angels from the church supported the four main music festivals held in Upton - Blues, Jazz, Folk and Sunshine, offering a wellbeing space, a donation box cafe, and a venue for open mic and 'Rising Stars' young performers. 'Barrels of Carols' in three local pubs was very well received and brought a lot of joy at Christmastime.

Achievements

Increased Membership: The Church again experienced a modest increase in membership, with several new members joining during this period.

Community Engagement: The outreach programmes reached over 200 individuals, providing essential services and support to the community.

Partnerships: Collaborations with local charities and organisations enhanced our outreach efforts, allowing us to serve a broader demographic. These included Malvern Foodbank, Age UK, Platform Housing, Citizen's Advice, and the local policing team. A new partnership with YMCA established a weekly Youth Group in the Church Hall for local young people.

Sustainability Initiatives: We continue to implement eco-friendly practices within our operations, promoting sustainability within the church community. The Community Fridge enabled local people and businesses to donate fresh, good-quality surplus food that would otherwise be wasted. The donated food is then made freely available for local people to come and collect at no cost. Lighting was replaced throughout the church hall with LED lights resulting in substantial cost savings and a reduced environmental impact. We introduced compost bins and new vegetable plots. Our 5 year EICR was completed successfully.

Future Plans

For the upcoming year, we aim to:

Enhance our outreach to address emerging community needs.

Increase our fundraising efforts and grant applications to support ongoing and new initiatives and significantly, the restoration of our Grade II chapel. The anticipated cost will be around £1,300,000.

Continue to foster partnerships with other organisations to maximise our impact in the community.

Conclusion

The Trustees are grateful for the continued support from our congregation and the local community, which enables us to fulfill our mission. We remain committed to serving God and our community, and we look forward to the opportunities and challenges that lie ahead.

Acknowledgments

The Trustees would like to thank all volunteers, members, and supporters for their dedication and contributions during this reporting period. Your efforts have made a significant difference in the lives of many.

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

Financial review

The financial health of Upton upon Severn Baptist Church remains stable. The income for the period totalled £88,165, derived from donations, fundraising events, and rental income. Expenditure was £88,327, covering operational costs, community programmes, and maintenance of church facilities. The Church's reserves are maintained in line with our reserves policy, ensuring we can continue our work in the future.

Reserves policy

To ensure that UBC has enough financial reserves for the foreseeable shortfall in income and allows for the most likely unforeseen expenditure, it has been decided by the Trustees to hold a minimum financial reserve of £12,000. It is therefore agreed to hold a minimum of £12,000 in our General Funds in readiness for any unforeseen expenditures &/or to cover any shortfalls in income. At the year end, the charity held unrestricted cash of £70,610 and the charity is complying with its reserves policy.

Governance

Responsibility for setting policy and for making operating decisions rest with the trustees who meet regularly to monitor the activities of the charity. New trustees are recruited and appointed by the existing trustees, by a majority vote.

Responsibilities of trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.

The primary objective of Upton upon Severn Baptist Church is to promote the Christian faith and demonstrate love and service to the local community. During this reporting period, we have engaged in a variety of activities, including:

- **Worship Services:** Regular Sunday morning worship services have been held, averaging an attendance of 50-70 individuals. Special services, including Christmas, Easter and Festival celebrations, attracted increased participation.
- **Community Outreach:** Initiatives such as the Shared Front Room, Community Fridge, Community Shed, food bank, community meals, and support groups for vulnerable members of the community were organised, fostering inclusivity and support for those in need.
- **Youth and Children's Programmes:** Weekly Sunday School group, weekly toddler group, monthly Messy Church, and annual holiday clubs provided engaging opportunities for children and young people to learn about faith in a fun and interactive way. Often healthy food was provided for parents, children and carers. The Minister serves as a School Governor and leads Collective Worship at the school fortnightly.
- **Bible Study and Prayer Meetings:** Bible study sessions/courses and prayer meetings were held, encouraging spiritual growth among attendees.
- **Community Engagement:** The Shared Front Room and donation box cafe is open daily serving warm drinks, soup and cakes. Fortnightly community breakfasts for men and regular meals with entertainment for Older Persons have helped strengthen relationships within the church and the wider community. Festivals Angels from the church supported the four main music festivals held in Upton - Blues, Jazz, Folk and Sunshine, offering a wellbeing space, a donation box cafe, and a venue for open mic and 'Rising Stars' young performers. 'Barrels of Carols' in two local pubs was very well received and brought a lot of joy at Christmastime.

Achievements

- **Increased Membership:** The Church experienced a modest increase in membership, with several new members joining during this period. The church celebrated a dedication, a wedding and six believer baptisms.
- **Community Engagement:** The outreach programmes reached over 200 individuals, providing essential services and support to the community. 96 Ukrainian Refugees were supported by the church community both practically and spiritually as they moved to the town through the Homes for Ukraine programme.
- **Partnerships:** Collaborations with local charities and organisations enhanced our outreach efforts, allowing us to serve a broader demographic. These included Malvern Foodbank, Age UK, Platform Housing, Citizen's Advice, and the local policing team.
- **Sustainability Initiatives:** We implemented eco-friendly practices within our operations, promoting sustainability within the church community. The Community Fridge enabled local people and businesses to donate fresh, good-quality surplus food that would otherwise be wasted. The donated food is then made freely available for local people to come and collect at no cost.

Future Plans

- Enhance our outreach to address emerging community needs.
- Expand youth and children's programme to engage more young people in our activities partnering with YMCA.
- Increase our fundraising efforts and grant applications to support ongoing and new initiatives and significantly, the restoration of our Grade II chapel. The anticipated cost will be around £1300000.
- Continue to foster partnerships with other organisations to maximise our impact in the community.
- Replace lighting throughout with LED lights resulting in substantial cost savings and a reduced environmental impact.

Conclusion

The Trustees are grateful for the continued support from our congregation and the local community, which enables us to fulfill our mission. We remain committed to serving God and our community, and we look forward to the opportunities and challenges that lie ahead.

Acknowledgments

The Trustees would like to thank all volunteers, members, and supporters for their dedication and contributions during this reporting period. Your efforts have made a significant difference in the lives of many.

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

Financial review

During the year income was £249,755, and expenditure £69,936. As a result the cash held by the charity increased by £179,819, of which £90,760 is unrestricted and can be used for any charitable purpose.

Reserves policy

To ensure that UBC has enough financial reserves for the foreseeable shortfall in income and allows for the most likely unforeseen expenditure, it has been decided by the Trustees to hold a minimum financial reserve of £12,000. It is therefore agreed to hold a minimum of £12,000 in our General Funds in readiness for any unforeseen expenditures &/or to cover any shortfalls in income. At the year end, the charity held unrestricted cash of £90,760 and the charity is complying with its reserves policy.

Governance

Responsibility for setting policy and for making operating decisions rest with the trustees who meet regularly to monitor the activities of the charity. New trustees are recruited and appointed by the existing trustees, by a majority vote.

Responsibilities of trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.
