### CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 7 SEPTEMBER 2025

---

The chairman presents his statement for the year.

Chair's Report 2024-25

I am pleased to present this annual report for West Midlands Anti-Slavery Network (WMASN) during our third year as a registered charity.

Our organisation has made significant progress in supporting victims of modern slavery and human trafficking across the West Midlands. We've expanded our Independent Modern Slavery Advocate (IMSA) service, which has proven highly effective in identifying and supporting victims. The number of individuals we've helped has increased substantially, with our team supporting over 120 service users this year compared to 100 in the previous period.

Key achievements include:

- Successfully securing continued funding from Warwickshire PCC for a dedicated IMSA role
- Continuing our vital Modern Slavery Coordinator role with Birmingham City Council
- Securing funding for a new Slavery and Exploitation Intervention Officer role with Birmingham City Council
- Expanding our victim support services, primarily through outreach
- Delivering over 80 training and awareness raising sessions to professionals
- Contributing to academic research with approaches to modern slavery
- Attracting funding from local authorities within the West Midlands and,
- Maintaining strong financial stability at the end of our first full year as a charity.
- The setting up of a Lived Experience Consultancy Panel named VOICE – Voice of Insight Change and Empowerment
- Securing funding for a VOICE panel Manager

Our partnerships remain crucial to our success. We continue to work closely with law enforcement, local authorities, and other agencies to ensure comprehensive support for victims. The introduction of our developing 'Lived Experience Panel' this year marks an important step in ensuring survivors' voices inform our work.

Looking ahead to 2026 we are well positioned to provide an increasing level of support to even more victims of exploitation. Our support will primarily be via our Outreach support team which spans the whole of the West Midlands and Warwickshire although there are occasions when we will support victims across the UK and internationally too.

I want to thank our dedicated staff, trustees, and partners for their commitment to combating modern slavery. Their expertise and dedication continue to make a real difference in victims' lives.

Shayne Tyler

### TRUSTEES' REPORT FOR THE YEAR ENDED 7 SEPTEMBER 2025

---

The Trustees present their annual report together with the financial statements of the Charity for the year from 8 September 2024 to 7 September 2025.

#### **Objectives and activities**

##### **a. Policies and objectives**

Our Articles set out our mission as being.

To promote human rights (as set out in the Universal Declaration of Human Rights, and subsequent United Nations conventions and declarations) within the West Midlands by all or any of the following means. Monitoring abuses of human rights Obtaining redress for victims of human rights abuse Relieving need among the victims of human rights abuse Research into human rights abuse Educating the public and raising awareness about human rights issues Providing technical advice to Government, local government, law enforcement and others on human rights matters Commenting on proposed human rights legislation Promoting respect for human rights among individuals and corporations Promoting public support for human rights In furtherance of that object, but not otherwise, the trustees shall have power to engage in political activity provided that the trustees are satisfied that the proposed activities will further the purposes of the charity to an extent justified by the resources committed and the activity is not the dominant means by which the charity carries out its objects

Our Articles are underpinned by our 7 key priorities.

1. Victim Care and Support
2. Equality Diversity and Inclusion
3. Our People
4. Prevent and Protect
5. Working in Partnership
6. Organisational sustainability
7. Influence change

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

##### **b. Strategies for achieving objectives**

West Midlands Anti Slavery Network (WMASN) has an action plan to deliver our objectives. The Senior Management Team (SMT) have responsibility for the action plan with the board of trustees being accountable for the action plan.

Together with a consultant provided by Lloyds Bank Foundation we now have a financial strategy that underpins our five year strategy. In 2026 we will be looking at how we better use data for case notes, funding returns and funding applications including the use of AI with the support of another Lloyds Bank Foundation Consultant.

#### Objectives and activities (continued)

##### c. Activities undertaken to achieve objectives

We continually review our organisation and structure and have put measures in place to ensure we achieve our objectives. We have a strong Senior Management Team and are supported by an experienced Board of Trustees who provide governance, accountability, and scrutiny.

- Trustee recruitment including a treasurer
- Identifiable Senior Management Team
- An experienced Operations Manager
- Experienced Business Manager
- Board Governance, Policy, and Safeguarding Task Group Board
- Finance and Risk Task Group
- Survivor Voice Panel- VOICE

##### d. Main activities undertaken to further the Charity's purposes for the public benefit

West Midlands Anti Slavery Network is a charitable organisation underpinned by six key objectives. The organisation is responsible for bringing together all agencies in the West Midlands to build knowledge, promote partnership working, identify training requirements, provide support to frontline staff and work with all agencies to identify victims of exploitation, and provide trauma informed support ensuring long term recovery via our SafePlace and Outreach service.

The organisation is a leader in the field of post rescue care and support, including accommodation. We are seeing more UK nationals entering our service and gaining an understanding of the challenges faced by those with recourse to public funds. We recognise that the time post rescue is the golden hour and getting that right with the right care and support gives survivors the best possible chance of success long term. We aim to ensure support provides a good foundation for people to be able to avoid re exploitation and lead successful healthy lives thereafter.

Our IMSA service was redefined in September 2023 in recognition that we needed to not only provide accommodation and support, but to provide outreach for those not requiring accommodation, at that point in time. Our outreach service has grown exponentially since then and includes females receiving outreach support. We now see referrals coming from many different agencies as we spread our wings further, some people now self refer, including surprisingly via our website contact page. We have an IMSA service that covers the Warwickshire Police area too, this role has been tremendously successful also supporting around 80 people per year, with direct support to around 40 people.

We are commissioned by Birmingham City Council to provide them with a MS Coordinator whose role ensures that BCC comply with their legal obligations, provide advice and guidance to staff, provide training to relevant staff and frontline workers.

We remain passionate on taking part in academic research, especially that which informs good practice regionally and nationally. Our VOICE panel also now contributes to this aspect of our work – a recent contribution was research by The Passage on Homelessness and Exploitation

#### Objectives and activities (continued)

2025 has seen the formation and integration of the VOICE Survivor Panel within WMASN. The Network currently has six Lived Experience Consultants on board, coordinated by an Engagement Manager, providing a structured and safeguarded approach to survivor leadership.

Over the past six months, the panel has contributed to 13 engagements across research, training, and advocacy. Collaborations have included work with Black Country NHS, Concept Housing Association, Dudley Safeguarding People Partnership, Birmingham City Council and Warwickshire County Council, demonstrating growing demand for survivor-informed input across statutory and community sectors. The panel is also promoted through its dedicated webpage on the WMASN website, which hosts the VOICE Information Pack, flyer, survivor engagement FAQ and the Expression of Interest form, helping external partners access clear guidance on ethical involvement. A regular blog series will begin shortly, with each consultant taking a turn to write a brief reflective piece, further strengthening visibility and survivor voice without reliance solely on public speaking.

Considerable focus has been placed on supporting consultants' wellbeing and skills. Two in-person development days have been held in Birmingham, and through our National Lottery funding, we are offering to fund accredited professional development courses, clinical supervision, and talking therapies, recognising that participation involves significant emotional labour and must be met with appropriate care to maintain healthy work/life balance.

A project of note is the Survivor Engagement Working Group we lead to provide recommendations on trauma-informed, inclusive engagement for the Joint Committee on Human Rights. This work is ongoing, with the objective of strengthening and expanding the existing training before Parliamentary enquiries involve people with lived experience, aiming for long-term systemic impact. Looking ahead, we have been invited by the Independent Anti-Slavery Commissioner to attend the Anti-Slavery Advisory Panels Summit in March 2026, bringing regional panels together for the first time to share priorities and help shape national projects.

#### Achievements and performance

##### a. Main achievements of the Charity

In the past 12 months, we have continued to review our SafePlace accommodation and Independent Modern Slavery Advocate Service (IMSA). The latter has proven a real success in supporting victims and/or survivors in a manner not previously experienced via the SafePlace service. The service is wholly geared around outreach, whilst the demand for post-rescue accommodation has declined significantly. The organisations and places from which referrals are made are growing and becoming more diverse as we continue to grow and word spreads of our service. This has increased demand significantly and has also resulted in being approached to support specific local authority supported activity within the West Midlands.

We continue to be commissioned to provide Birmingham City Council with a Modern Slavery Coordinator. This has proven to be very successful and evidence that a Local Authority needs a MS Coordinator. Indeed, Birmingham City Council has seen increasing demand which has resulted in us being further commissioned to provide a role akin to an IMSA, a Slavery and Exploitation Intervention Officer. Local Authorities having an MS Coordinator is key to the work of many agencies as they have a specialised point of contact. This benefits survivors too, as it means that the LA can access support for victims they identify.

Our SafePlace IMSA service was originally set up to provide immediate support for victims for around 5/10 days until they were able to access Home Office support via the victim care contract or to be sign posted to other support. 2024 saw an evolution of the accommodation offer, with the potential for victims to be accommodated for far longer periods of time. However, demand has continued to be problematic, with only 2 referrals in early 2025. Consequently, a review was undertaken, and a decision has been taken to close the SafePlace accommodation offer, to focus on the changing demand for outreach support, advice, training and awareness raising.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 7 SEPTEMBER 2025

---

#### Achievements and performance (continued)

In late 2024, the IMSA service was shortlisted for a national Human Trafficking Foundation award. This unexpectedly triggered dialogue with a large MS charity, Hope for Justice (HFJ), the latter having sought a trademark for the term IMSA. During 2025, we engaged with HFJ and our commissioners, to determine whether we would participate in a national IMSA pilot being led by HFJ. Unfortunately, our opinion was that the pilot and role description were at odds with our approach and the breadth of our service offer. As such, we are now in conversations to determine a new role title for a service, a fact that is supported by our commissioners.

We also represent the human trafficking agenda on the Mayor's West Midlands Combined Authority Homeless Task Force Steering Group and we Chair their No Recourse to Public Funds Task Group. This is all in recognition that homelessness and NRPF are intrinsically linked to exploitation. We are included in their rough sleepers' task group action plan where we have a responsibility to reduce exploitation in the rough sleeping sector and provide support for those that are.

#### Financial review

##### a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

##### b. Reserves policy

Our reserves policy is in place and ensures we have a minimum of three months funding in reserve to close the organisation if required – this includes redundancy costs, paying of any debts, and closing the organisation down.

Free reserves are calculated as the unrestricted funds less any designated funds and unrestricted tangible assets. At the year end the free reserves stood figure amounted to £170,322 (2024: £153,946).

#### Structure, governance and management

##### a. Constitution

West Midlands Anti-Slavery Network is a registered charity, number 1200309, and is constituted under a Constitution.

##### b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Constitution. We have outsourced our human resources, and they also support our recruitment of staff and trustees. Applications are received, reviewed and a 20 minute conversation is held with the applicant. If both parties are suitable the applicant is offered an interview. All successful applicants are required to provide two references and a DBS check.

Throughout 24-25 we have strengthened our board of trustees through the appointment of an additional Trustee, with a further two Trustees, including a new Treasurer, joining shortly after the year end. These appointments enhance the range of skills and experience available to the Board and further strengthen governance and financial oversight.

**INDEPENDENT EXAMINER'S REPORT (CONTINUED)  
FOR THE YEAR ENDED 7 SEPTEMBER 2025**

---

**Independent examiner's statement**

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

### **INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 7 SEPTEMBER 2025**

---

**Independent examiner's report to the Trustees of West Midlands Anti-Slavery Network ('the Charity')**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 7 September 2025.

#### **Responsibilities and basis of report**

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 7 SEPTEMBER 2025

#### Statement of Trustees' responsibilities

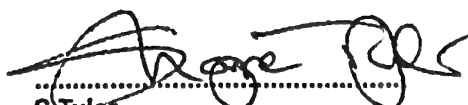

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

These appointments enhance the range of skills and experience available to the Board and further strengthen governance and financial oversight.

##### c. Financial risk management

Throughout the year, the Trustees have maintained a strong focus on sound financial management ensuring that the organisation remains resilient and well-positioned to deliver its charitable objectives. Investment in our processes, training, and digital capability, alongside the continued development of a skilled and collaborative team, has strengthened our operational effectiveness and supports our plans for ongoing improvement. In addition, the organisation has worked collaboratively to develop a three-year financial strategy alongside its business strategy, supported by external expertise, placing us in a stronger position to plan confidently for the future, with an idea of how we can diversify our funding streams.

The Trustees have assessed the major risks to which the Charity is exposed, those related to the operations and finances of the Charity and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

#### Plans for future periods

The coming year

We will ensure we commit to maintaining our five year strategy plan along with our financial strategy including:

- Continue to fundraise and identify diverse funding streams
- Continue to provide the best possible care and support to the ever increasing numbers of survivors in the region and beyond
- Continue to review our processes to make sure we're continually making our work efficient
- Continue to offer our lived experience advisory panel to all stakeholders and promote their work.
- Embed cultural competency in our work and influence it in the work of stakeholders
- Represent our work regionally and nationally and continue to influence change in policy procedure and legislation
- Identify academic research opportunities
- Identify staff training needs, provide support and seek innovative ways in which to attract and retain staff
- Identify ways in which AI can be used ethically to enhance our work
- Starting with an internal workshop in February 26 we will seek innovative ways in which to engage and support industry. We will also review our income streams where we provide training and support to our stakeholders

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 7 SEPTEMBER 2025

---

#### 1. General information

West Midlands Anti-Slavery Network is a Charitable Incorporated Organisation, Charity number 1200309. It was registered with the Charity Commission 8 September 2022. The registered office is shown on page 1 of this report.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

West Midlands Anti-Slavery Network meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

West Midlands Anti-Slavery Network meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

##### 2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

##### 2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

---

## WEST MIDLANDS ANTI-SLAVERY NETWORK

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 7 SEPTEMBER 2025

---

#### 2. Accounting policies (continued)

##### 2.3 Expenditure (continued)

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

##### 2.4 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities upon the completion of the relevant performance-related conditions. Other grants that are not subject to performance-related conditions are credited to the Statement of financial activities as the grant proceeds are received. Grants received prior to the revenue recognition criteria being satisfied are recognised as a liability.

##### 2.5 Redundancy and termination

In cases of redundancy, statutory terms will apply. After serving 2 years and up to 12 years employees are entitled to statutory notice of 1 week for each full year worked or one month's pay, whichever is greater. Termination pay may be given in lieu of notice.

##### 2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

##### 2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £100 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Office equipment	-	25%
Computer equipment	-	25%

##### 2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 7 SEPTEMBER 2025**

---

**2. Accounting policies (continued)**

**2.9 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.10 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

**2.11 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2.12 Pensions**

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

**2.13 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
