The trustees present their report with the financial statements of the charity for the year ended 30th June 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Leicester Nirvana Football Club, an esteemed representative of sportsmanship, community values, and inclusive practices, presents this trustee report to encapsulate the club's profound commitments and achievements in the pursuit of a multifaceted approach to sustainable development and holistic progress in grassroots football.

Significant activities

Going Green: Adoption of Green Energy

Leicester Nirvana has taken a bold step towards becoming net-zero by reducing our reliance on non-renewable energy sources by 53%. This sustainability initiative, supported by Centric and the Energy for Tomorrow programme, allows us to generate 26,451 kWh of clean electricity annually, with an anticipated CO2 reduction of 5,477 kg. This reduction is akin to removing approximately 51 cars from the road each year, planting 251 mature trees, or powering around 7 average UK homes annually.

Citizen Science Project for Sustainability

In partnership with De Montfort University, Leicester Nirvana has launched a Citizen Science project aimed at advancing the United Nations Sustainable Development Goals (SDGs). This project involves maintaining an SDG diary to document sustainability challenges and successes, which will help develop policies and toolkits for other community clubs. Following a successful pilot, we are excited to expand this project and encourage global participation.

Support for Womomentum CIC's Wellbeing Mornings

We have partnered with Womomentum CIC to support Wellbeing Mornings, which create a safe space for women to connect and combat loneliness through shared activities like mindfulness and arts and crafts. These gatherings empower women and provide crucial resources, fostering an inclusive community.

Launch of 'No Racism' Kits

As part of our commitment to inclusivity, we launched our 'No Racism' kits featuring an anti-discrimination logo on our shirts. This initiative highlights Leicester Nirvana's dedication to creating a welcoming environment for players from all backgrounds, furthering our role as a progressive force in grassroots football.

BASIS National Award Winners

Leicester Nirvana was awarded the Partnership of the Year at the BASIS Sustainability Awards 2024, recognising our collaboration with De Montfort University and the United Nations in our journey toward becoming a net-zero football club. This acknowledgment demonstrates our commitment to sustainability and community engagement.

Engagement with the United Nations and Launch of Our Report on SDGs

We proudly launched our report, "Embedding Sustainable Development Goals Across Grassroots Football," outlining how Leicester Nirvana actively promotes the SDGs within our operations and community activities. We had the privilege of meeting Maher Nasser, Director of the Outreach Division at the United Nations Department of Global Communications.

Conclusion

Leicester Nirvana remains dedicated to creating a positive impact through our initiatives and collaborations. As we move forward, we aim to continue our progress towards sustainability and inclusivity, ensuring our club remains a beacon of hope and unity within the community.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2025

1. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

INCOME

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

The value of services provided by volunteers is difficult to put a monetary value on and therefore has not been included in accordance with the Charities SORP (FRS102).

EXPENDITURE

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Expenditure is classified under the following activity headings:

Charitable activities: Costs associated with the provision of scholarship, community and networking events and alumni network as elaborated on in the Trustees' Report. These include both direct charitable expenditure, grants payable and support costs relating to these activities. Grants payable to other organisations for relief projects are included in the SOFA when approved by the trustees and agreed with the other organisation.

Support costs: Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs for a single activity are allocated to the particular activity where the cost relates directly to that activity. However, Support costs that represent the support functions of management, finance, human resources, IT and support departments attributable to the management of the Charity's assets, are allocated in proportion to the type of charitable activity during the period.

Governance costs: These are the costs associated with the governance arrangements of the charity. These costs are associated with constitutional and statutory requirements and include any costs associated with the strategic management of the charity's activities. Governance support costs are allocated on the basis of support activities provided on clearly interpreted governance matters.

TAXATION

The charity is exempt from tax on its charitable activities.

FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Charitable activities: Costs associated with the provision of scholarship, community and networking events and alumni network as elaborated on in the Trustees' Report. These include both direct charitable expenditure, grants payable and support costs relating to these activities. Grants payable to other organisations for relief projects are included in the SOFA when approved by the trustees and agreed with the other organisation.

Support costs: Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs for a single activity are allocated to the particular activity where the cost relates directly to that activity. However, Support costs that represent the support functions of management, finance, human resources, IT and support departments attributable to the management of the Charity's assets, are allocated in proportion to the type of charitable activity during the period.

TAXATION

FINANCIAL REVIEW

Financial position

Overall, the charity is in a healthy position as demonstrated by our accounts for the period in concern. This is mainly due to effective cost control, which ensures our running costs are kept to an acceptable level.

Leicester Nirvana FC has shown that it is a well run organisation with overall surplus funds. The charity had a net surplus of £2,992.

During the year the charity raised £73,597 in income to carry out its activities. During the year £70,605 from the funds were expensed for projects.

We aim to utilise the funds as soon as we identify suitable programmes or scholars.

The funds the charity holds is to ensure that it has sufficient reserves to cover the costs of managing and administering the charity for the following year.

The Trustees consider it prudent that the reserves should be sufficient for the charity's use. The Trustees have approved that all unrestricted reserves will be utilised in helping the charity achieve its objectives.
