

# Aviation in Reach

## Trustees' Annual Report and Accounts FY 24/25

### Background

Aviation in Reach was established in summer 2022, and registered as a charity in late September 2022. The team of trustees was established during the summer and 8 trustees were registered with the charities commission: Katherine Lee (Chair), Elizabeth O' Sullivan (Treasurer) and Richard Knighton (Secretary) in September 2022; Kimberley Gough, Neema Soni-Robertson and James Stewart in January 2023, and Alexander Waite and John Lyle in December 2023.

### Activity to end of FY 24/25

Three full trustee board meetings were conducted, to ensure proprietary conduct of the charity and ensure progress continued. A number of sub-committee meetings also took place. Policy was written for social media. The application and selection process, namely for pilot mentees, was amended, such that pilot mentees are offered a 9 month mentoring programme, beginning annually in September, whereas non-pilot mentees, as a much smaller cohort, are accepted ad hoc.

33 mentees were accepted onto the programme, with 22 completing their mentorship.

4 new mentors were accepted and onboarded.
