Aims and Objectives

The charity's stated aim, is to ensure that as many parents and carers in Suffolk's voices, views and experiences matter and that they contribute towards developing and improving services. We do this by reaching out to parents and carers to be involved by representing their experience and expertise to decision-makers and making recommendations for service improvements. We signpost, support, and empower families to obtain the best possible support and services for their children and young people.

Our Aims

Amplify Collective Voice: Unite families around shared concerns affecting children and young people with disabilities in Suffolk.

Collaborative Partnerships: Work alongside service providers to foster strong partnerships that enhance support and resources for families.

Raise Awareness: Highlight necessary support and services while drawing attention to the challenges faced by children and young people with special educational needs and disabilities (SEND) in Suffolk.

Provide Constructive Feedback: Gather insights and feedback from families to influence improvements in service delivery.

Create Brighter Futures: Contribute to a more positive and inclusive future for children and young people with SEND.

Objectives

Highlight Issues: We will continue to identify and advocate for solutions to concerns impacting various disabilities.

Raise Awareness of Available Services: Share valuable information to help Suffolk families connect with appropriate support groups and services.

Advocate for Inclusive Policies: Collaborate with stakeholders to influence policies and service provisions that benefit all disabilities within our community.

Activities

Our organisation, as outlined by The Charity Commission, operates in collaboration with, but independently from, the Local Authority, Education, and Health Services in Suffolk. We strive to amplify the voices and share the lived experiences of parents and carers of children and young people with special educational needs and disabilities (SEND) within the age range of 0 to 25. Through co-production, we use these insights in meetings with Education and Health that aim to enhance the quality of services.

Over the past year, the Suffolk Parent Carer Forum has successfully organised over 20 online focus groups and feedback sessions, alongside two in-person information days tailored for SEND families, all open to the public. The feedback from these events was positive, reflecting high levels of engagement from parents, carers, and professionals.

Public Benefit

SPCF was established to empower parents and carers of disabled children in Suffolk, giving them a voice in shaping and delivering services for special educational needs and disabilities (SEND) within Education and Health. We serve as a unified voice for parents and carers, actively participating in meetings and planning services in the Suffolk area.

Our dedicated team represents the thoughts, feelings, frustrations, and successes of parents and carers while advocating for inclusion and improvement in services for all users. We ensure that all our activities align with our core aims and objectives.

At the heart of SPCF are the Trustees, committed to sustaining our organisation and the community ties we have built through coproduction and consultation. Our aim is to create a future where coproduction is both natural and inclusive.

This year, we have supported various initiatives from the local authority and our parents and carers, regularly updating our members on our achievements. Professionals have given positive feedback, appreciating the opportunity to connect with parents and carers and gain insights into the experiences of families and their children and young people.

Risk Management

The Trustees have evaluated the significant risks facing the charity, particularly those associated with its financial management. They are confident that the existing systems adequately mitigate these potential threats. Furthermore, the trustees have established strong working relationships with support organisations that are available to offer professional advice as needed.

Reserves

The charity holds unrestricted reserves based on unspent funds which will be spent in the future in accordance with SPCF policies and policies provided by Contact, the charity for disabled children, on behalf of the Department for Education.

The reserves held by Suffolk Parent Carer Forum as of 31st March 2025 are £89,007. General reserves are retained to enable the trustees to wind up the charity over a period of time without causing excessive distress to the parents and carers.

In reference to the submission of the annual return, an amount of £1,767.80 was generously donated by Sutton Heath Parish Council which is contributing to the facilitation of our in-person events.

Approved on behalf of the trustees.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 MARCH 2025

Independent Examiner's Report to the Trustees of Suffolk Parent Carer Forum

I report to the trustees on my examination of the accounts of Suffolk Parent Carer Forum ('the charity') for the year ended 31 March 2025 which comprise the summary of receipts and payments and the statement of assets and liabilities.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the trustees of the charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no audit opinion on the accounts and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
