FOR THE YEAR ENDED 30 JUNE 2025

Risk management

The Trustees have identified, monitored, and reviewed significant risks and have implemented systems and processes to manage and mitigate those risks. The main risks are associated with the continued donations from long term donors and ensuring that donations are generated from new Harvard Alumni and friends of Harvard in the business community. The Trustees review ongoing pledges and have a strong presence in the UK to continue to develop new relationships with donors. The Trustees are satisfied with the current risk management procedures in place which they believe satisfactorily mitigate the identified risks.

Fundraising Statement

The Charity's fundraising activities focus on existing relationships with a small number of individual donors and businesses. The Charity has not engaged with any professional fundraisers to raise funds. No complaints were received in relation to the Charity's fundraising activities.

Structure, governance and management

The Charity is a company limited by shares (with a non-profit distribution clause) with company registration number 13904921, and is governed by its Memorandum and Articles of Association. The Charity is also a registered educational charity, with charity registration number 1200419. The charity forms part of a "dual-qualified" structure, where the sole shareholder of the charity is Harvard Global Research and Support Services Inc, a charity registered in the United States of America.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

C. D. Quillen
J. H. McFadden
J. H. O'Regan

Statement of Trustees' responsibilities

The Trustees, who are also the directors of Harvard Global Foundation Limited for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and

HARVARD GLOBAL FOUNDATION LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF HARVARD GLOBAL FOUNDATION LIMITED

Opinion

We have audited the financial statements of Harvard Global Foundation Limited (the 'Charitable company') for the year ended 30 June 2025 which comprise the statement of financial activities, the statement of financial position, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 June 2025 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

HARVARD GLOBAL FOUNDATION LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF HARVARD GLOBAL FOUNDATION LIMITED

Responsibilities of Trustees

As explained more fully in the statement of Trustees' responsibilities, the Trustees, who are also the directors of the Charitable company for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Trustees are responsible for assessing the Charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the charitable company and determined that the most significant are those that relate to the reporting framework (Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)), the charitable company's Memorandum and Articles of Association, the Companies Act 2006, the Charities Act 2011 and the relevant direct and indirect tax compliance regulation in the United Kingdom.
- We understood how the charitable company is complying with those frameworks by making enquiries of management and seeking representations from those charged with governance. We corroborated our understanding by reviewing supporting documentation including correspondence with regulatory bodies.
- We assessed the susceptibility of the charitable company's financial statements to material misstatement, including how fraud might occur by considering the risk of management override of internal control and by designating revenue recognition as a fraud risk. We tested specific transactions reconciling to source documentation, ensuring appropriate authorisation of the transactions, and that the income was applied in accordance with the charitable company's Memorandum and Articles of Association and any donor imposed restrictions.
- Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved enquiries of management and those charged with governance, review of grants payable and review of legal and professional expenses.
- The charitable company is a regulated entity under the supervision of the Charities Commission. As such, the Senior Statutory Auditor considered the experience and expertise of the engagement team to ensure that the team had the appropriate competence and capabilities.
