Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	Cylch Meithrin Y Ffor's purpose is to provide quality childcare, play and education to preschool children through the medium of Welsh. Our charity's purposes directly benefit children of pre-school age where they learn to develop their social, creative, personal skills as well as develop their numeracy and linguistic skills all through the medium of Welsh. This is quite possibly the first time that children will be left on their own in the care of staff, without their parents, and they learn to become independent individuals learning through play and fun activities at the Cylch Meithrin. The Cylch Meithrin is the stepping stone that prepares children for their journey onto formal education offering them a sound foundation both socially and academically. Families / parents/ carers also benefit from our organisation's purposes as we offer parenting support and advice on how their children are developing, healthy eating and living as well as offer them the opportunity to learn Welsh with their children. This is achieved by sending bilingual/ Welsh activities/ songs home for the children to learn with their families, holding various activities, and sign posting to other voluntary organisations that can provide Welsh language courses or activities in the community. Cylch Meithrin Y Ffor also benefits the wider public and economy as we aim to employ local qualified people as staff, we always work in partnership with Mudiad Meithrin to encourage individuals to train and up skill as well as encourage volunteering opportunities e.g. to assist with activities such as the summer fete, Christmas parties etc. We also aim to benefit other community organisations and events by supporting them

		and working in partnership for example we work closely with the local school by organising christmas fair for the school children, we also have opportunities to attend different events at the school, we also hold a Meithrin Mwy session for the nursery year group from the school to attend with us.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Families and preschool children are the main beneficiaries of Cylch Meithrin Y Ffor. We believe that it is important that children can become fully bilingual as they grow. In order to achieve this, we believe that children from birth onward should have the opportunity to access Welsh medium activities and childcare where they are fully immersed in the Welsh language throughout the sessions. Parents and families also indirectly benefit from our support as they too have the opportunity to learn Welsh, and learn and have fun with their children thus enhancing their parenting skills. This is achieved through Welsh language classes, signposting to parenting classes. Healthy eating and living activities etc. Cylch Meithrin Y Ffor achieves our aims through providing a range of activities that offer a wealth of new experiences to them that are fun and educational. These activities provide children with new experiences and opportunities and equip them for school. Cylch Meithrin Y Ffor aim is to also introduce children and their families to the Welsh language. Over 5% of children attending the Cylch Meithrin come from non-Welsh speaking homes and our aim is to offer families the opportunity for their children to become bilingual through immersing them in Welsh throughout the sessions setting the foundations to a bilingual future a bilingual future
