Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Bedayati UK is a 'sister charity' to Bedayati Lebanon, a social sector organisation established in Lebanon in 2020: bedayati.org. The four trustees for Bedayati UK are trustees of Bedayati Lebanon.

Bedayati's Youth Program seeks to widen opportunities for marginalised youth in the labour market, responding to their aspirations for change. Youth between the ages of 16-25 who take part in our program are accompanied for a period of six to nine months, during which time they are also encouraged to set their career goals.

Our training covers digital literacy, English and life skills. We combine job readiness training with short-term employment opportunities and sports, to promote the employability of youth and help with their personal development. Bedayati actively supports the placement of students in further education, training, or decent employment upon completion of the Program.

Our Community Kitchen initiative, which provides 1000 hot meals per week to food insecure communities in Beirut, including most recently the areas affected by the Beirut blast, helps promote youth employability and restore livelihoods, providing short-term employment opportunities to over 20 youths since its inception. Students from our Youth Program are employed as kitchen assistants and take care of food purchasing, meal preparation and food distribution. Through their work in the Community Kitchen, youth learn project management and employability skills, teamwork and community service.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Bedayati UK managed to:

- Work on the drafting of a cookbook in partnership with Bedayati Lebanon and Meet My Mama – a similarly minded organisation working with migrant women in France. The cookbook is in the final stages of its publication and celebrates cuisines and community chefs and cooks from across the Mediterranean. It will soon be sold as a charitable activity.
- Bedayati UK successfully registered with HMRC for Giftaid.
- Bedayati UK successfully set up a bank account for the charity at HSBC. This was a process that took a lot of admin time to launch.
- Bedayati UK organised a fundraising on gofundme for Bedayati Lebanon focused on its youth skills programme and raised 2000 GBP in the period between October and December 2023.

Section E Financial review

Brief statement of the charity's policy on reserves

The charity did not accumulate a significant amount of reserves during the period of this financial review given the bulk of the year was spent on admin related to starting the charity up, setting up with the HMRC for Giftaid and setting up the bank account with HSBC.

Details of any funds materially in deficit
