Objectives of the Charity

The Charity is part of the national network of Trussell Trust Foodbanks

We are:

- Run by volunteers from the community
- Helping those in our community who are in crises
- By distributing food donated by the community

We were set up by Churches Together in August 2013

We endeavour to relieve persons in Deepings facing poverty and financial hardship in such ways as the trustees see fit but not exclusively, by providing three days' nutritionally-balanced emergency food and support to individuals and families, and by collaborating with other charities, agencies and organisations working to prevent or relieve poverty.
