Hospitallers Ukraine Aid

Trustees' Annual Report

Year ended 30 September 2024

The trustees present their report and the independently examined financial statements of the charity for the year ended 30 September 2024. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Structure, governance and management

Governing document

Hospitallers Ukraine Aid is a charitable incorporated organisation (CIO) covered by its trust deed dated 30 September 2022. It is registered as a charity with the Charity Commission.

Appointment of trustees

The power of appointing new trustees is vested in the trustees in office where a 100% vote in favour is required.

Objectives and activities

The purpose of the Charity is for the relief and assistance of people in Ukraine who are the victims of war, trouble or catastrophe by the supply of civilian relief including rescue and medical treatment vehicles such as ambulances.

The main activities of the Charity are the purchasing and delivery of medical supplies, ambulances and auxiliary vehicles that are used by paramedics for saving lives.

We have referred to the guidance issued by the Charity Commission on public benefit when reviewing our aims and objectives and in planning our future activities.

Hospitallers Ukraine Aid

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 September 2024

Achievements and performance

The main achievements of the Charity have been saving hundreds of lives following the delivery of live saving equipment.

Financial review

During the period, the Charity received donations totalling £365,450 and incurred expenditure of £459,741. The Charity recorded a net deficit of £94,291 for the year ended 30 September 2024.

Reserves policy

The Charity's reserves policy is to retain within unrestricted reserves at least 20% of the average monthly donations received with a minimum of £8,000 at any given time.

Going concern

The Charity will continue as long as the Russo-Ukrainian war continues.

The trustees' annual report was approved on 21st May 25 and signed on behalf of the board of trustees by:

Oleksiy Podopryhora

Hospitallers Ukraine Aid

Independent Examiner's Report to the Trustees of Hospitallers Ukraine Aid

Year ended 30 September 2024

I report to the trustees on my examination of the financial statements of Hospitallers Ukraine Aid ('the charity') for the year ended 30 September 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts as carried out under section 145 of the Act and in carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Hospitallers Ukraine Aid
Notes to the Financial Statements
Year ended 30 September 2024

1. General information

The charity is a public benefit entity registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 71-75 Shelton Street, London, WC2H 9JQ.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the statement of financial activities.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Hospitallers Ukraine Aid

Notes to the Financial Statements *(continued)*

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
