**VICTORY-CITY ASSEMBLIES OF GOD CHURCH
FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DEC 2024**

The trustees of Victory-City Assemblies of God have the pleasure in submitting their report and accounts for the year ended December 2024. The trustees are responsible for keeping proper records and preparation of the accounts which discloses with reasonable accuracy at any time the financial position of the charity. They are also, responsible for safeguarding the assets of the charity and hence for taking reasonable steps to prevent and detect fraud and other irregularities.

The financial statements have been prepared in accordance with the accounting policies set out and comply with the Statement of Recommended Practice (SORP) and applicable law.

PRINCIPAL ACTIVITIES:

1. The advancement of Christian faith in accordance with the Statement in such ways and in such parts of the United Kingdom or the world as the Church Council from time to time may think fit;
2. To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods or services of any kind including through the provision of counselling and support in such parts of the United Kingdom or the world as the Church Council from time to time think fit;
3. The advancement of education in such ways and in such parts of the United Kingdom or the world as the Church Council from time to time may think fit.
4. Provision of social and community services/outreach including promotion of community and family projects

Development, Activities and Achievements in the year

Through the structure already in place, we were able to provide services for the holistic development of the Church members as well as helping the Church to reach the Community. The Church was able to initiate a training programme to educate and train leaders and every family in discipleship for ministry which has been going on well. In addition to pulpit ministry, a strategy was designed to enhance individual spiritual growth by continuously providing all young people and adults with morning devotional books. Departmental and auxiliary ministries continued to be effective in their services. Many depressed people were ministered to in the Community and helped appropriately during the Community outreach activities in the year.

Future Development

The Church will continue to focus its activities to meet the objectives of the charity. To enhance this ambition, the search for a property (building) continues to be one of our top targets since we still do not have any worship place of our own.

This report was approved by the board of trustees on the 31 October 2023 and signed by
