## **REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 31 MARCH 2025**

The trustees present their report with the financial statements of the charity for the period ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) and relevant provisions of the Charities Act 2011.

### **OBJECTIVES AND ACTIVITIES**

#### **Objectives and aims**

**The objectives and aims of the CIO are as follows**

5.1 to prevent and relieve poverty; 5.2 to promote human rights (as set out in the Universal Declaration of Human Rights and subsequent United Nations Conventions and Declarations) and equality and diversity and protection of the environment 5.3 to advance and promote education and knowledge of the law and how to use the law for the purpose of furthering objects 5.1 and 5.2 above. During the period in question these objectives have been pursued in particular by preparation of guides on use of the law to protect the environment and uphold human rights and relieve poverty, all of which are closely linked. Furthermore these objectives have been furthered by participation in events and talks with the same purpose;

#### **Significant activities**

One of the primary roles of the CIO is to support Action4justice Stichting, which itself carries on activities within the objectives of the CIO. The CIO has provided financial support to enable the Stichting to carry out these activities, including in relation to corporate accountability for environmental damage, action in relation to climate change, and action to promote clean fresh water and reduce the pollution thereof, and action to protect and defend those who themselves defend the environment and the human rights of their communities. Donations have been made to enable these activities to be pursued. Only very limited income was received in the year but the need for support for the Stichting was also modest.

#### **Public benefit**

The public benefit from the activities is by way of the promulgation of knowledge in terms of how to use the law to protect the environment and uphold human rights, including by way of the protection of those who themselves seek to protect the environment and uphold human rights, who may themselves be at risk in various ways

## **ACHIEVEMENT AND PERFORMANCE**

### **Charitable activities**

The achievements and performance, including by way of charitable activities, is as set out above

## **FINANCIAL REVIEW**

The CIO has limited income and is reliant on donations and fundraising events. A substantial event was held in early 2022, just prior to the incorporation of the CIO as such, and while Action4Justice UK support was still a CIC. This provided sufficient funds to operate the CIC/CIO for a significant period, giving its low level of expenditure. The Charity thus had at the beginning of the relevant period assets in terms of bank balance of £12,182.89 and no liabilities. The trustees consider that the funds of the CIO are sufficient for it to keep operating for the next financial year ending 31 March 2026, and are optimistic that further funds can be raised during that period. The balance sheet and income and expenditure position can be seen from the accompanying financial statements for the period.

### **Financial Position**

The CIO had funds at the year end of over £11,000, several times the amount of the operating expenses for the year.

### **Reserve Policy**

The Charity incurs small but relatively regular expenditure. Its income pattern however is uneven with no minimal regular income. Accordingly the Trustees consider it prudent to maintain reserves, where financially possible, of up to 18 months' anticipated expenditure

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The charity is controlled by its governing document, Action4justice UK Support CIO Constitution dated 13 September 2022. It is constituted as a Charitable incorporated organisation.

### **Charity Constitution**

In October 2022 the company's application to convert from a CIC to a CIO and registered charity was successful.
