## OBJECTIVES AND ACTIVITIES

<b>Object and Purpose</b>	The object and purpose of the Foundation is to advance the education of pupils at St. Ann's School, Hanwell, by providing and assisting in the provision of facilities and or resources (not required to be provided by the local education authority) for education at the school. And, for the public benefit to promote the education of people under 25 years old with special needs and supporting staff/care workers in St. Ann's School, Hanwell, in such ways as the charity trustees believe fit, including: delivering training/awareness courses, providing extra curricular or post 19 activity provisions.
<b>Summary of Main Activities</b>	We held a number of fundraising events, including a Christmas market, carol singing, and our involvement in the Hanwell Carnival. In addition, we organised activities to raise awareness of disabilities, such as producing picture books on disabilities, marking World Mental Health Day, and supporting Learning Disability Week. Grants were awarded to promote the wellbeing of both staff and pupils at St. Ann's School. All events and initiatives were carried out in line with the Charity Commission's guidance on public benefit.
<b>Statement</b>	The trustees confirm that we have had regard to the guidance issued by the Charity Commission on public benefit.

## ACHIEVEMENTS AND PERFORMANCE

### Summer 2024

The Foundation's official website was successfully launched this year, with the generous support of a volunteer who has taken on the design and ongoing management of both the site and the Foundation's social media platforms. These channels now serve as key means of showcasing the Foundation's work, achievements, and community impact.

Elthorne Park High School continued its commitment to supporting the Foundation as its Charity of the Year. This valuable partnership between the Foundation and local schools has grown steadily, strengthening ties within the community. Elthorne Park High School also joined forces with St Ann's School for their Summer Arts Festival, further embedding the collaboration between the two schools and raising awareness of the Foundation's aims.

This year also marked the Foundation's first appearance at the Hanwell Carnival. Trustees, supported by volunteers, led a lively parade through the town and hosted stalls to raise both funds and awareness. The event proved to be an excellent opportunity to connect with the wider community and share the Foundation's mission.

In addition to these activities, the Foundation was delighted to sponsor the school prom for leavers as well as the end-of-year celebration at St Ann's School. These events were a highlight for pupils, providing a joyful opportunity to mark their achievements, celebrate friendships, and create lasting memories. The Foundation's contribution ensured that all pupils could take part in these special occasions, reflecting our commitment to supporting not only education but also the wellbeing and happiness of young people.

We remain deeply grateful to all those who have supported the Foundation financially, including individual donors and those who have undertaken fundraising on our behalf. Their generosity and commitment have been vital in enabling the Foundation to continue and expand its work.

**Autumn 2024**

To mark World Mental Health Day, the Foundation provided resources to support the wellbeing of staff at St Ann's School. A special parents' mental health meeting was also organised, offering families the opportunity to share experiences, receive guidance, and highlight the importance of mental health within our community.

The Christmas season was celebrated on a larger scale this year, with events proving both festive and memorable. The Christmas Raffle drew great enthusiasm, with a range of prizes on offer. The star prize – two Eurostar return tickets – was met with particular excitement. The winners later shared their joy and recounted how much they enjoyed using their tickets, a reminder of the positive impact these events bring to families.

The Foundation also partnered with Elthorne Park High School for a carol singing event at Paddington Station. Their wonderful performance drew in commuters and visitors alike, spreading festive cheer while raising awareness of the Foundation's work.

Trustees and volunteers took part in the Christmas Huts at Ealing Broadway, using the opportunity not only to raise funds but also to promote disability awareness among the wider public. The stalls provided valuable engagement with local shoppers and helped shine a light on the Foundation's mission.

The Christmas Market at St Ann's School was another great success, with more stalls than ever before. Parents, pupils, and visitors all enjoyed the lively atmosphere, and the event provided pupils with the opportunity to showcase and develop their skills. The market highlighted the strong sense of community at the school and the ways in which festive celebrations can bring people together.

**Spring 2025**

In February, the Foundation organised a trip to the Twist Museum in central London for pupils of St Ann's School and their parents. The outing provided a wonderful opportunity for families to spend time together, explore an engaging cultural venue, and enjoy a memorable day out.

The Foundation also supported the school through the provision of key resources. Sports mats were donated to enhance pupils' learning and physical development, while practical equipment, such as microwaves, was supplied to support staff during lunchtimes. These contributions, though modest, play an important role in enriching daily school life for both pupils and staff.

A particular highlight this year was a special exhibition of pupils' artwork at a gallery in Ealing Broadway. The exhibition gave pupils the chance to express their creativity, while also offering valuable work experience in preparing, curating, and presenting their art to the public. Visitors were able not only to appreciate the talent and effort on display but also to purchase pieces, providing pupils with a sense of pride and achievement. This event was a powerful reminder of how creativity can build confidence and foster community engagement.
