Dear Sir/Madam

Annual Return for 1200735

The Clearing House charity number 1200735 commenced charitable activities and became financially active on 01/08/2023.

It was inactive during the period of the 2023 annual return: 18/10/2022 to 31/07/2023.

I have therefore submitted a "nil" annual return, and the charity does not have a Trustees Annual Report or financial accounts to submit for the inactive period.

If there's anything further you need in relation to this, please feel free to contact me.

Yours sincerely
