- The conservatory roof at Birmingham Prayer Hall was replaced at a cost of £8,581
- An adjoining wall to the conservatory roof at Birmingham Prayer Hall which had been water-damaged was renovated at a cost of £1,200.
- Technical work on surge protection/lightning protection at Bensheim Prayer Hall was completed at a cost of £1,283.
- Other minor maintenance items were carried out, specifically, service and replacement of parts for the Gas Boiler at Birmingham Prayer Hall and repair to a water damaged external wall at Stokenchurch Prayer Hall. Total cost of works was £954.
- Change in Membership - Mr. Jag Mohan Mehan, Trustee, DRSAE Property Holding CIO, passed away on 28 May 2024.

The (Dayalbagh) Radhasoami Satsang Association of Europe Property Holding CIO
Trustees' Report (continued)
For The Year Ended 31 March 2025

Financial Review

Reserves Policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the Period.

Structure, Governance and Management

Governing Document

The charity is operating as CIO. The charity was registered on 19 October 2022.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at anytime the financial position of the charity and to enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees' report was approved by the board of trustees and signed on its behalf by:

Independent Examiner's Report to the Trustees of The (Dayalbagh) Radhasoami Satsang Association of
Europe Property Holding CIO
For The Year Ended 31 March 2025**

I report to the trustees on my examination of the accounts of The (Dayalbagh) Radhasoami Satsang Association of Europe Property Holding CIO (the Trust) for the year ended 31 March 2025.

Responsibilities and Basis of Report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and contents of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The (Dayalbagh) Radhasoami Satsang Association of Europe Property Holding CIO
Notes to the Financial Statements
For The Year Ended 31 March 2025

1. General Information

The (Dayalbagh) Radhasoami Satsang Association of Europe Property Holding CIO is a charitable incorporated organisation registered with the Charity Commission, registered charity number 1200738. The principal address is Stokenchurch Methodist Church, The Commons, Stokenchurch, Buckinghamshire, HP14 3TZ.

2. Statement of Compliance

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)", Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities Act 2011.

3. Accounting Policies

3.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention.

The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

3.2. Going Concern Disclosure

The trustees have not identified any material uncertainties related to events or conditions that may cast significant doubt about the charity's ability to continue as a going concern.

3.3. Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds comprise unrestricted funds that have been set aside by the trustees for a specific purpose.

Restricted funds are to be used for specific purposes as laid down by the donor.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

3.4. Incoming Resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

3.5. Resources Expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

3.6. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold	not depreciated
----------	-----------------

3.7. Investment Properties

All investment properties are carried at fair value determined annually and derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in the nature, location or condition of the specific asset. No depreciation is provided for. Changes in fair value are recognised in the statement of financial activities.

3.8. Leasing and Hire Purchase Contracts

Assets obtained under finance leases are capitalised as tangible fixed assets. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives. Assets acquired under hire purchase contracts are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the charity. Obligations under such agreements are included in the creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the statement of financial activities so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to the statement of financial activities as incurred.

3.9. Stocks and Work in Progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

Cost is determined using the first-in, first-out method. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

Work in progress is reflected in the accounts on a contract by contract basis by recording turnover and related costs as contract activity progresses.

At the end of each reporting period stocks are assessed for impairment. If an item of stock is impaired, the identified stock is reduced to its selling price less costs to complete and sell and an impairment charge is recognised in the statement of financial activities. Where a reversal of the impairment is required the impairment charge is reversed, up to the original impairment loss, and is recognised as a credit in the statement of financial activities.

3.10. Cash and Cash Equivalents

Cash and cash equivalents are basic financial assets and include cash in hand and deposits held at call with banks, other short-term highly liquid investments that mature in no more than three months from the date of acquisition and are readily convertible to a known amount of cash with insignificant risk of change in value, and bank overdrafts.

3.11. Foreign Currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction. Exchange differences are taken into account in arriving at the operating surplus.

3.12. Taxation

The charity is exempt from tax as all its income is charitable and applied for charitable purposes.

3.13. Provisions and Contingencies

Provisions

Provisions are recognised when the charity has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount of the obligation can be estimated reliably.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as a finance cost.

Contingencies

Contingent liabilities are not recognised. Contingent liabilities arise as a result of past events when (i) it is not probable that there will be an outflow of resources or that the amount cannot be reliably measured at the reporting date or (ii) when the existence will be confirmed by the occurrence or non-occurrence of uncertain future events not wholly within the charity's control. Contingent liabilities are disclosed in the financial statements unless the probability of an outflow of resources is remote.

Contingent assets are not recognised. Contingent assets are disclosed in the financial statements when an inflow of economic benefits is probable.

3.14. Employee Benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock of fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

The (Dayalbagh) Radhasoami Satsang Association of Europe Property Holding CIO
Notes to the Financial Statements (continued)
For The Year Ended 31 March 2025

3.15. Government Grant

Government grants are recognised in the statement of financial activities in an appropriate manner that matches them with the expenditure towards which they are intended to contribute.

Grants for immediate financial support or to cover costs already incurred are recognised immediately in the statement of financial activities. Grants towards general activities of the entity over a specific period are recognised in the statement of financial activities over that period.

Grants towards fixed assets are recognised over the expected useful lives of the related assets and are treated as deferred income and released to the statement of financial activities over the useful life of the asset concerned.

All grants in the statement of financial activities are recognised when all conditions for receipt have been complied with.
