FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 1st October 2023 to 30th September 2024

Charity name: Chichester Runners & AC

Charity registration number: 1200751

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	For the public benefit, the promotion of community participation in healthy recreation for the inhabitants of Chichester and the surrounding areas without distinction of age, sex, sexual orientation, race or of political, religious or other opinions in particular but not exclusively by the provision of facilities for participation in athletics, including running and track and field events.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Chichester Runners & AC provides running and athletics training for both adults and young people (aged 10+), as well as organising running and athletics competitions and social events.</p> <p>These all promote community participation in healthy recreation for the inhabitants of Chichester and the local area, without distinction on age, sex, sexual orientation, race, political, religious, marital or financial grounds.</p> <p>Training is provided for all abilities, from Couch-to-5k to national level and good-for-age athletes. Training sessions are held in both daytime and evening to allow maximum participation.</p> <p>There are many examples of individuals improving their fitness through the club, but also it provides a social element which is increasingly important for both the working age members (who are increasingly hybrid or remote), and the older members (who often live by themselves).</p> <p>For junior members, the club provides a structured environment for developing talent and competing in events outside of school.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity	Para 1.18	The Trustees are confident that the activities of Chichester Runners & AC satisfy both the benefit aspect and the public aspect of the guidance.

Commission on public benefit		<p>The sporting activities of the club are clearly beneficial to the physical and mental health and well-being of those who take part.</p> <p>Club membership is offered at low cost and is open to all, with a total of about 450 current members. In addition, the events that the club hosts each attract up to 1000 participants, of all ages.</p>

Policy on grant making	Para 1.38	Chichester Runners & AC does not give grants. However, charity donations are made for certain events if a profit is made (for example, the Trundle View West Sussex Fun Run League, which sometimes makes a profit).
Policy on social investment including program related investment	Para 1.38	N/A
Contribution made by volunteers	Para 1.38	<p>Chichester Runners & AC could not function without volunteer contribution, and therefore the contribution is beyond accountable value.</p> <p>All trustees, management committee members, coaches, run leaders, parent helpers, event organisers and officials are volunteers. No member or trustee is paid for the work that they do, except for the reimbursement of expenses.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>At the end of the reporting year, Chichester Runners had a total of 471 members - 22 Honorary Life members, 328 Senior members and 121 Junior members. Junior membership was roughly the same as in the previous year and senior membership grew by about 10% (from 295).</p> <p>Every week, the club's volunteer coaches lead 10 training sessions for senior members and a similar number for juniors. Attendance at each session is typically between 10 and 20 and we are mindful of England Athletics' best-practice guidance of 10 athletes per Coach/Leader.</p> <p>Junior Training is particularly well attended, but the limited number of Coaches and parent volunteers is challenging. During the year, one additional Coach gained the Athletics Coach qualification and two started the Assistant Coach course. On several occasions the management committee has discussed whether to limit training only to individuals who compete for the club. We have not yet reached this stage in practice, but it is a consideration for future years if the situation does not improve.</p> <p>There is strong participation in the West Sussex Fun Run League and in 2023 Chichester Runners took 2nd place in the competition.</p> <p><u>Couch to 5k</u> The club organised a Couch to 5k course for beginner runners, starting in April. The course attracted over 40 people on the first week and about 25 people of them reached 5k, with many going-on to join the club.</p> <p>There was a strong turnout of club members at the end of the course, in June, when many of the graduates of the course completed their first full 5k, at the Chichester Parkrun.</p> <p>Events organised included the Corporate Challenge, the Trundle Hill Run and the Goodwood Cross-Country relays.</p> <p><u>Chichester Corporate and Inter-Schools Challenge.</u> A series of 3 road races in Chichester city centre, held on evenings in March. The event is hugely popular and a very effective fundraiser for Chichester Runners & AC, although not one that is relied on to be a going concern.</p>

		<p>The 2024 series attracted 590 junior entries (from school years 5 to 10) and 482 senior entries, with most taking part in more than 1 race.</p> <p><u>Trundle Hill Run</u> An 8km cross country event organised as part of the West Sussex Fun Run League and usually held in May.</p> <p>It is very well attended and includes a 1-mile junior race alongside the main WSFRL event.</p> <p>WSFRL events are not intended to make a profit and our surplus is donated to the charity chosen by the annual Emsworth to Basingstoke Relay event (into which the club enters several teams). During this reporting year, £900 was donated from the 2023 event. There will be comparable donation from the 2024 event in the next reporting year.</p> <p><u>Goodwood Cross-Country Relays</u> Held in early autumn, this is a cross-country event near to Goodwood racecourse, that allows individuals from year 5 schools to masters to compete against other clubs in West Sussex. The 2023 event was on the last day of the previous reporting year and 2024 event was close to the end of this reporting year, on 28th Sept.</p> <p>Because of the proximity to the end of the financial year, the financial results for these events tend to spill over into the following year. Entry fee payments from the 2023 event were still arriving at the start of this FY and some entry fees and most of the bills for the 2024 event will continue to arrive well into the 2025 FY.</p> <p>The event will have made a small profit on entry fees and a significant further sum was raised by volunteers running a tea tent at this event, and a Sussex County cross country league event 2 weeks later.</p> <p><u>Social Events</u> The club held a number of social events to promote cohesion across the different areas of the club and to help with the integration of new members. These included several quiz nights and a celebration of the 40th anniversary of the club's founding in 1984.</p> <p>These made a small loss overall, but were popular with members and help to support the very high membership renewal rate that the club enjoys.</p> <p><u>Additional</u> There was a successful Parkrun takeover in September, where members took on all volunteering responsibilities for Chichester Parkrun.</p>

Achievements against objectives set	Para 1.41	<p>The Senior section of the club continues to grow and membership is now approaching record levels, with participation in training probably being stronger than it has ever been.</p> <p>Several more members have completed the England Athletics (EA) Leader in Running Fitness or Coach in Running Fitness course. The club now has a very strong roster of qualified leaders, which helps to ensure that all sessions are safely supervised and reduces the pressure on individual leaders.</p> <p>There has also been a good growth in the number of under-35s joining the club, a demographic which has been under-represented for a long time. The Trustees want to continue this trend, because these young people are the future of Chichester Runners.</p> <p>Senior participation in the cross-country and athletics events organised at county level has declined to quite a low level. There has also been a decline in number of club members who take up the option to be registered with EA as competitive athletes - only about 80 senior members are registered and able to take part in county competitions. The geography of Sussex doesn't help (most events are some distance from Chichester), but it may simply be that interest in those events has reduced.</p> <p>The Junior section continues to attract many young people and to perform strongly in athletics competitions. As with every other amateur sports club, finding enough volunteer coaches and helpers is difficult. Admissions of new junior members are being controlled to ensure that the numbers coming to training sessions do not get beyond the capacity to safely supervise.</p> <p>The management of the Corporate Challenge event has now been fully handed over from its founder. A goal for next year is to handover the management of the Goodwood Cross Country Relay event to a new Race Director.</p> <p>Progress on the running track project has been disappointing, largely because of bureaucratic delays outside the control of Chichester Runners.</p> <p>The planning permission for the track expired and had to be renewed. The process was expected to be straightforward, but additional environmental demands for planning resulted in a delay of several months before other aspects of the project could continue.</p>
-------------------------------------	-----------	---

		<p>A new set of outline terms for an agreement for building the track was agreed with Chichester College, but slow decision making by the college resulted in a further delay to the project.</p> <p>The club is now waiting to receive a legal agreement to review, but this has been pending for several months. It is unlikely that construction will start before the end of 2024.</p>
Performance of fundraising activities against objectives set	Para 1.41	<p>Along with strong income from events, the club received a grant from England Athletics and a number of substantial individual donations towards the track project. The Sponsor-a-Metre campaign and appeals with club membership continue to attract additional donations.</p> <p>One of the club's larger expenses over the last few years has been the cost of running the club website. The website was moved to a lower cost platform near the end of this reporting year. In future years, costs will be reduced by about £1k per year.</p> <p>Overall, over £25k was added to the club's bank balance over the year and the Trustees remain confident that the track project is financially achievable.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>Chichester Runners is in a strong financial position and is, without doubt, a going concern.</p> <p>As in previous years, the club operates at a small surplus on membership subscriptions and training fees alone (about £3400 this year). Additional income from events is used to build up reserves.</p> <p>In 2023/24, the surplus from memberships was about £3400 with events adding about £13100, after subtracting the costs of the club's 40th anniversary celebration.</p> <p>Over £11k was raised specifically for the track project. Of that sum, about 45% was from England Athletics, 35% from large individual donations and 20% from smaller donations through the club's website.</p> <p>The overall surplus for the year was £27943 and the total in the club's bank accounts rose to</p>
---	-----------	---

		£187425. Of that sum, £151065 is allocated to the Track Project, in a mixture of restricted and designated funds.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>Chichester Runners has been raising funds and accumulating reserves over many years, for the purpose of building a running track for the community in Chichester.</p> <p>Following a decision at an EGM in Sept 2023, the first phase of the track will be built as soon as possible and the reserves are expected to decline in the next year.</p>
Amount of reserves held	Para 1.22	£21,065 restricted and £169,564 unrestricted, as of 30 Sep 24.
Reasons for holding zero reserves	Para 1.22	Not applicable
Details of fund materially in deficit	Para 1.24	Not applicable
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Chichester Runners is financially healthy and the Trustees have no concerns about its viability as a going concern.

Investment policy and objectives including any social investment policy adopted	Para 1.46	The charity's funds are held in two current accounts, split between Santander and CoOp Bank, and an instant access savings account at the CoOp Bank.
A description of the principal risks facing the charity	Para 1.46	<p>The principal risks facing Chichester Runners are as follows:</p> <ul style="list-style-type: none">- A decline in volunteering. All the club's activities depend on volunteers giving their time.- A decline in membership. Membership has been quite stable for a number of years and increased by about 10% in this reporting year. The Trustees are not concerned about membership levels.- Legal & financial risk from an injury occurring at a Chichester Runners event or training session. This is mitigated through public liability insurance, held through the club's England Athletics affiliation and specific coverage for events.- The withdrawal of the support of the local community and businesses for the events that Chichester Runners organises. <p>The Corporate Challenge depends on the goodwill of the community and the willingness of the City, District and County councils to allow us to take over the city centre for 3 evenings in March.</p> <p>The Trundle Run and Cross Country Relays rely on the use of car park areas at the Goodwood Race Course and Country Park.</p> <p>Chichester Runners is grateful for the support of these organisation and does everything possible to limit the disruption caused by the events.</p> <ul style="list-style-type: none">- Cost overruns on the track project. To mitigate the risk, the project is being implemented in phases and all the relevant surveys and tests have been carried out in advance of construction.

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;

The trustees have no concerns about the ability of Chichester Runners & AC to continue as a going concern over the next 12 months. Membership is strong, fixed costs are low and easily covered by the income from subscriptions and training fees. Further income from regular, annual events has allowed the club to build up substantial cash reserves. A large part of those reserves will be spent on a project in the next year but the remaining funds will still cover several years of the club's routine costs.

Disclosure of any uncertainties that make the going concern assumption doubtful;

Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30 September 2024.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
