ELBA HOPE FOUNDATION

TRUSTEES' REPORT

FOR THE PERIOD ENDED 31 DECEMBER 2023

The trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report and the financial statements of Elba Hope Foundation for the period ended 31 December 2023. The trustees confirm that the annual report and financial statements of Elba Hope Foundation comply with current statutory requirements, the governance requirements of Elba Hope Foundation and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Objectives and activities

- The purposes of the charity as set out in its governing document are as follows:

The Charity provides grants to a range of other charities and charitable causes for the benefit of individuals and communities. The Charity focuses on a range of English/Welsh charitable purposes with the aim of addressing charitable needs arising from unfairness and inequalities in society.

The Charity primarily funds registered English/Welsh charities, although it may seek to fund charitable projects carried out by non-charities. Where the Charity seeks to make a grant to non-charities, it will ensure that the project it is funding is charitable under English and Welsh law (seeking legal advice from charity law specialists where necessary) and will ensure that the grant is restricted to a particular project in a robust grant agreement (complying with Charity Commission guidance on grants to non-charities and applicable HMRC guidance).

The Charity does not have any plans to carry out any other types of activities or services to further its charitable objectives, other than grant-making.

- The main activities undertaken in relation to those purposes for the public benefit:

The Charity delivers public benefit through making grants to support the charitable activities of other organisations, predominantly registered charities. The Charity's activities promote equality by, and as part of, advancing education and employment opportunities, preventing racial injustice, advancing protection of the environment and developing young people's skillsets throughout England and West Africa.

The Charity also advocates against knife and gun crime by working on anti-knife, gun and gang culture campaigns that promote opportunity with a youth charter to support sport, film and tv internships and initiatives, as well as youth centres across the UK.

By grant funding these organisations the Charity brings about positive change via their charitable activities. The Charity provides benefits to the wider public in the areas in which its grantees work.

Given the wide range of charitable purposes under English/Welsh law that the charity may further, grants are made under a strict grant-making policy to ensure that all grants are awarded in furtherance of English/Welsh charitable purposes.

- During the financial year 3 grants were made. In order for grants to be accepted the purpose of the grant must be aligned to our key principles making policies.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

ELBA HOPE FOUNDATION

TRUSTEES' REPORT

FOR THE PERIOD ENDED 31 DECEMBER 2023

Achievements and performance

The charity has made significant progress toward its 2024 objectives since the year end. Key achievements include hiring an Executive Director and setting Key Performance Indicators for our existing grantees and programs. We are preparing to launch education programs with our partners and scale our existing food security programs. Furthermore, the charity's efforts in advocacy and outreach have raised awareness about knife crime in the United Kingdom, resulting in increased engagement from the community and key stakeholders on banning zombie knives and machetes. The trustees are proud of these accomplishments and are committed to building on this success in the coming year.

Grant Making policy

The trustees will assess the organisations the Charity is considering funding and undertake the Charity's due diligence before deciding whether or not to fund the organisation. This will be carried out in accordance with a grant making policy (designed in accordance with Charity Commission and HMRC guidance on grant-making). It will then enter into grant agreements with recipients of funds ahead of making payments. Where the trustees make payments to organisations based overseas, they will ensure that the grant agreement includes restrictions so that the funds are only used for activities which further purposes which are charitable under the laws of England and Wales. Grant agreements will also include standard provisions to protect the grant-making charity and ensure proper use of its funds - such as staged payments, reporting requirements and claw back provisions.

The Charity will provide grants to charities and non-charities (restricted to charitable projects) which the trustees consider will benefit from funding in order to further particular charitable purposes. All decisions will be guided by the trustees' duty to act only in the Charity's best interests in furtherance of a recognised charitable purpose.

The trustees will review the potential grantees and hold open discussions on which charities will most further the objects of the Charity in line with the Charity's grant-making policy. Where the Charity is funding organisations based overseas, the trustees will carry out enhanced due diligence on these organisations to ensure that their activities are charitable under the laws of England and Wales, before selecting individuals or organisations to receive grants.

Risk Management policy

The Charity is committed to identifying and managing the risks it faces to ensure the ongoing sustainability of its operations and the achievement of its charitable objectives. The Trustees have implemented a formal risk management framework to regularly assess and monitor risks across the organization. This includes financial, operational, governance/compliance, and reputational risks. Policies and procedures include a Scheme of Delegation of Board Authority, Code of Ethical Conduct, Conflicts of Interest, Whistleblower, and Background Check policies, which are regularly reviewed by the Trustees. Other risk mitigation strategies are in place, such as maintaining adequate insurance coverage and financial controls. The Trustees are confident that the charity's risk management approach is effective in minimizing exposure to potential threats while allowing the charity to pursue its mission effectively.

Financial review

Overview of the year

The Charity received a total income of £302,333 in the period, with expenditure of £350,270 resulting in a net loss of £42,937. The Charity made grants payments during the year totalling £190,195. The net loss was higher this year due to the formation of the global Charity.

Financial review (continued)

Our funds

At 31 December 2023 funds totalled £156,389 which were entirely unrestricted. It is the policy of the trustees to retain sufficient unrestricted funds which, in their judgement, will mitigate the short-term effect of income volatility and retain funds to generate sufficient income to meet current and future operational activities of the charity. Formal policy will be agreed by the trustees in due course.

Going concern

After making appropriate enquiries due to the funds currently being in deficit, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. This is from personal wealth of the trustees and a relationship with key high network individuals who will act as future donors. They do however note that the cost of living crisis has had an impact on day-to-day fundraising efforts and overall donations. For this reason, they continue to adopt the going concern basis in preparing the financial statements

Structure, governance and management

Constitution

The organisation is a charitable company limited by guarantee, incorporated on 5 October 2022, and registered as a charity. The company was established under a Memorandum of Association dated 5 October 2022, which defined the objects and powers of the charitable company. It is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Method of appointment or election of Trustees

The charity being in its early stages since registration, there are five Trustees and we are growing our Leadership Advisory internationally. Going forward, the appointment process will be a robust process principally defined by the business, knowledge, and development needs of the organisation. Where skills gaps occur, advertisements are targeted to ensure these are filled and the balance skills, knowledge and expertise is maintained. Shortlisting and assessments are conducted principally through trustees.

Policies adopted for the induction and training of Trustees

The Board of Trustees ensures that the composition and the breadth of experience of its members are sufficient for it to discharge its responsibilities. The charity has a trustee induction and training policy. During the year the Trustees have been encouraged to keep up to date with wider sector knowledge and relevant Charity Commission guidance, such as the Charity Commission 5-minute guides, have been circulated. The Trustees have also been encouraged to attend the NCVO Trustee Training series.

In accordance with the company's Articles of Association, the company has a Board of Trustees. The members of the Board are the company's directors for the purposes of company law and are the trustees of Elba Hope Foundation.

Pay policy for senior staff

There are no employees of the charity.

Organisational structure and decision-making

The Board of Trustees is responsible for the overall management and control of the charity. The Board of Trustees meets a minimum of 3 times a year.

Relationship with related parties

The charity considers IE7 Limited and IE7 Holdings Limited, which I Elba is a director of, to be related parties during the financial year the company has provided the initial funding.

Statement of Trustees' Responsibilities

The trustees (who are also directors of Elba Hope Foundation for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enables them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each of the trustees is aware at the time the report is approved:

- there is no relevant audit information of which the charitable company's auditors are unaware and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information

Approved by order of the members of the board of Trustees on 29 October 2024 and signed on their behalf by the Executive Director in lieu of the Chair according to the Organisation's scheme of delegation:

M Reid
Executive Director

Date: 29 October 2024

ELBA HOPE FOUNDATION

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE ELBA HOPE FOUNDATION

FOR THE PERIOD ENDED 31 DECEMBER 2023

I report to the Trustees on my examination of the accounts of The Elba Hope Foundation for the period ended 31 December 2023, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act"). The trustees are satisfied that this year's audit is not required under section 144(2) of the Charities Act 2011 (the 2011 Act) and have chosen to have an independent examination instead.

I report regarding my examination of the Trust's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination, I have followed the requirements of the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I can confirm that I am qualified to undertake the examination because I am a registered member of the ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of the financial statements.

The directors consider that the Company is entitled to exemption from audit under section 477 of the Companies Act 2006 and members have not required the Company to obtain an audit for the year in question in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime and in accordance with the provisions of FRS 102 Section 1A - small entities.

These financial statements were approved and authorised for issue by the Trustees on 29 October 2024 and signed on its behalf by:

M Reid

Executive Director

The notes set out on pages 10 to 13 form an integral part of these financial statements.

ELBA HOPE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 31 DECEMBER 2023

1. General information

Elba Hope Foundation, the 'Charity' is a company limited by guarantee, charity number 1200793 and company number 14399971 registered in England and Wales. Its registered office is 10 Queen Street Place, London, United Kingdom, EC4R 1AG

The Charity was incorporated on 5 October 2022. The accounts have been prepared for the period from 5 October 2022 to 31 December 2023.

The functional currency of the Charity is considered to be GBP because that is the currency of the primary economic environment in which the Charity operates.

2. ACCOUNTING POLICIES

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) – Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Elba Hope Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The charity has taken advantage of the provisions in the SORP for charities applying FRS102 update bulletin 1 note to not prepare a cashflow statement.

2.2 Going Concern

After making appropriate enquiries, the Trustees have a responsible expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future. This is from personal wealth of the trustees and a relationship with key high networth individuals who will act as future donors. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

2.3 Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Foundation and which have not been designated for the other purposes.

2.4 Income

All income is recognised once the Foundation has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

2 Accounting policies *(continued)*

2.5 Expenditure

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the period when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the period end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Creditors and provisions

Creditors and provisions are recognised where the company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle that obligation can be measured or estimated reliably. Creditors and provisions are initially recognised at transaction value as none represent a financing transaction. They are only derecognised when they are extinguished.

2.8 Critical accounting judgements or estimation

The trustees do not consider there to be any significant judgements or sources of estimation uncertainty in relation to the preparation of the financial statements.

2.9 Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.
