Report of the trustees for the year ended 31st March 2024

The trustees present their annual report and financial statements of the charity for the year ended 31st March 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities Act 1993. Due to the date of incorporation the financial statements and annual report cover the period

from 24th October 2022 to 31st March 2024. All future financial statements and annual reports will cover a 12-month period only.

Structure, governance, and management.

Chardi Kala is a registered charity, incorporated on 24th October 2022. The charity was established by an initial gift from Mrs Gurdeep Kaur Chadha following the death of her beloved husband, Dr Darminder Singh Chadha from complications arising from Parkinson's disease and Covid.

The Constitution document approved by the Charity Commission when the charity was incorporated on 24th October 2022, states that the charity must have at least 4 trustees with a maximum number of 10 trustees.

Mrs Gurdeep Kaur Chadha, Mrs Rasmeet Kaur Bharara and Mrs Gunmeet Kaur Sethi are lifetime trustees.

Dr Avninder Singh Chana has been appointed for an initial 3-year period.

The trustees have held 5 meetings since 24th October 2022.

The focus of the meeting has been around the launch of the charity, setting short term aims, discussing fundraising suggestions, reviewing fundraising undertaken and establishing the governance around grant applications and grant giving.

Risk management.

The principal risks facing the charity are the ability to continue to raise funds during the current economic climate, and the validity of grant applications through the risk of fraudulent applications.

The trustees ensure applications for grants are validated as much as they can do so by asking for proof of diagnosis and a receipt upon the purchase of the equipment by the recipient, thereby mitigating the risk of misappropriation of grant.

The charity will carry out sufficient due diligence on grant applicants to confirm the identity of the applicant and that:

- Any funding will be applied in accordance with the charity's charitable purposes.
- Funds will not be knowingly used for illegal purposes, such as money laundering, bribery, or financing terrorism.
- The applicant does not hold views or have any involvement in activities contrary to the charity's values and charitable purposes.

The charity seeks to mitigate risks related to health and safety by awarding monetary grants rather than providing equipment or sourcing personal care for grant awardees.

Objectives and activities for the public benefit

The purpose of the charity is to provide relief of people in need by reason of ill health, in particular people living with Parkinson's disease, by providing grants to purchase equipment to improve their quality of life.

Grant making policy.

Funding Criteria. The charity will consider all applications that fall within the charitable purposes and meets the funding criteria and for which the due diligence process has not identified any unacceptable issues.

- **Charities** - organisations must have a written constitution, with exclusively charitable aims, and be run by a minimum of at least 2 trustees.
- **Governmental Agencies** - support will only be considered where there is either no, or inadequate statutory provision.
- **Other Organisations** - if the trustees wished to support an organisation that isn't a charity, they are aware of and would comply with the Charity Commission's guidance on doing so.
 - They would ensure that the grant is only for to further the charity's purposes, any funding of support costs would be limited to the specified activities, services or outcomes, the grant agreement requires the above be complied with, there is no more than incidental personal benefit and the trustees can demonstrate that the decision is in the charity's best interests.

Grants will be made based on the funding available and solely on merit.

In making grants, trustees will comply with Charity Commission guidance, to ensure that it is in the charity's best interests, check that any money is used as it is expected it to be, and the

decision recorded in the minutes.

Priorities. The number of good applications is likely to exceed the funding available, so the trustees use the following criteria to help them in making decisions on how best to allocate funding.

- The individuals or their representatives making the application for the grant must be living with Parkinson's Disease and demonstrate on the application how the items/equipment that are purchased directly improve their quality of life.
- The equipment excludes medical treatment or equipment that is not from a reputable, well-known source.
- Where a small grant might enable a larger item to be purchased where there is a shortfall in funding.
- Exclusion criteria is applied at the discretion of the trustees.
- Any other priorities that the trustees may from time to time decide.

Applications will be considered by our trustee board, who work to the Charity Commission C27 guidelines on trustee decision making.

Grants are awarded entirely at the discretion of the trustees and their decision is final.

All grantees will be required to provide a report on how their grant was used and the impact this has had. The content and nature of information to be reported will be appropriate for the size and type of grant awarded. The charity will monitor such reports to not only ensure that grants are being used for the purposes intended, but also to assess the impact grants have made. This learning will be used to inform future decision making and policy to maximise the charity's impact.

Often those people the charity is trying to reach are the least able to be able to research and find the charity and to make effective applications. Consequently, it is important to ensure that those the charity is seeking to reach are made aware and that the application process is kept as simple as possible.

Ways in which people can be made aware include promotion via:

- Websites, such as funders, local community groups and foundations.
- Social media – either groups relevant to our activity, or local town/village/community groups.
- Posters in village/town, churches or mosques, doctors' surgeries, and shops.
- Through networks of those who encounter potential beneficiaries, such as relevant statutory services and charities.

For some groups, the charity may provide information in a different way, such as an additional language.

Financial review

The charity's work is entirely reliant on fundraising via events, sponsorship, and donations from individuals. The initial endowment from Mrs Gurdeep Kaur Chada was returned in December 2022.

In the period to 31st March 2024, the charity generated total funds of £9,092 against minimal operating expenditure of £841. From the funds generated the charity was able to award 5 grants totalling £2,126. The grants ranged in value from £204 to £500. The items purchased with the grants included items such as reclining beds and electric wheelchairs. Whilst the Trustees ask for a report from all recipients not all provide this. Majority do. Excerpts from some reports from successful recipients are given below:

"This is a wonderful charity which helps people living everyday with Parkinson's.

Enabling help towards what ever is needed to make life a little easier.

In my case I have purchased an electric bed as I am having difficulty getting in and out of bed.

I found the whole process very easy and straightforward it has left me speechless that this charity is there to help.

Thank you doesn't seem enough."

"I will forever be thankful to Chardi Kala for opening-up a world which was gradually becoming closed to me. For as my disability increased it was becoming more difficult for me to walk unaided. But now I'm able to go wherever I choose thanks to the kindness of the

Chardi Kala trustees when funding my electric wheelchair. A special thanks also goes to them for their remarkable insights into the challenges facing people with Parkinson's Disease."

Reserves policy

On 31st March 2024, the charity held reserves of £6,125.

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately 2 months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure there are sufficient funds to cover support and governance costs.

Plans for the future

In the period to 31st March 2024 the charity has received 8 applications for grants, of which 5 (62.5%) have been successfully awarded.

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards. The law applicable to charities in England and Wales requires the trustee(s) to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources an application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

select suitable accounting policies and apply them consistently.

refer to the regulatory requirements of their jurisdiction(s) of registration regarding the format and content requirements for receipts and payments accounts and the trustees' annual report.

make judgements and estimates that are reasonable and prudent.

state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ascertain to ensure that the financial statements comply with the Charities Act 1983, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.
