ACHIEVEMENTS AND PERFORMANCE

(a) Review Of Activities

The Charity is doing valiantly well by investing in people. The Charity is equipping members spiritually, emotional, socially both inside and outside the Church. The spiritual lives of members are progressively getting better and worthy of emulation. The Charity is doing great job by offering quality and timely counselling sessions to people who may want them (young and old alike). Without hesitation, those who were identified to be in need are being supported to the best of the capability of the Charity and at the discretion of the trustees.

The youths in the Church felt more at home. They hold and attend their meetings regularly, and some of them were specially rewarded for their hard work amongst brethren. The elderly too are being catered for. Provisions are made for the elderly during and after meetings to carry them along and ensure that they do not feel alienated.

The Charity relentlessly pursues its main objectives by investing time, money, and energy into programmes that help to prevent loneliness, depression, child abuse and the likes. Members are benefitting and are constantly drawing virtues from various programmes and activities that are regularly organised.

Apart from the regular Church service on Sunday morning, the church continues to offer opportunities for members to pray through the Weekly Online Prayer Programme tagged Early Morning Encounter (EME) every Wednesday morning and to study the Word of God through the weekly Online Bible Study (OBS) every Sunday evening. These weekly programmes have been so impactful, and members always look forward to being part of them.

While 2024 had not been without its challenges, His Way Christian Ministries as a Church demonstrated courage and resilience, having absolute trust in God; and embracing flexibilities with the limited resources at our disposal, we are persuaded we can face the upcoming year with its uncertainties and continue to make positive impacts in the lives of people.

PLANS FOR THE FUTURE

(a) Future Developments

In alignment with its vision, the Charity intends to continue to explore various ways to propagate the Gospel of our Lord Jesus Christ. The Charity will continue with its activities to add to the members in quantity and in quality to give them a life-changing experience and in turn, positively influence their world for God.

The Charity will not slowdown on its investment in the youths and homes.

Statement Of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence

for taking reasonable steps for the prevention and detection of fraud and other irregularities.
