## Achievements and performance

**Summary of the main achievements of the charity during the year****Sponsorship:**

We are supporting children through our sponsorship programme. Each of these children receive financial help contributing towards their education, food, clothing and other necessities. The progress of these children is measured by our partners on the ground, who maintain that each child on the programme remain in education as a minimum.

We strive to ensure that our children stay with extended family, where possible. This support we provide them allows them to send the child to school where in other circumstances they may be forced onto the streets to beg or into manual labour. The success of our sponsorship programme is down to our generous donors, who undertake to provide these children with hope through their regular donations.

## Section E Financial review

### Brief statement of the charity's policy on reserves

We regularly review the risks to the charity and are actively monitoring the reserves available to the charity. As there are no significant commitments and the work continues only when funds are available, the trustees have decided to maintain a minimal reserve to cover any contingencies. The trustees are satisfied that the all funds received have been applied in a wholly effective manner.

### Details of any funds materially in deficit
