### **Trustees' Report**

**For the period from 1 September 2024 to 31 March 2025**

---

The trustees (known as directors under company law) present their report together with the audited financial statements of The Nature Recovery Project for the period 1 September 2024 to 31 March 2025.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's articles of association, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice" applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

### **Objectives and activities**

#### **a. Policies and objectives**

The principal objective of The Nature Recovery Project ("the Charity") is to promote for the public benefit the conservation and protection of the natural environment by promoting biological diversity, in particular but not exclusively by acquiring land for the planting of natural and native species of woodland and providing support to other charitable organisations with similar objectives that wish to do the same. The Charity supports initiatives globally.

The Nature Recovery Project also makes donations and grants to a limited number of charities principally to promote biodiversity. Funding from the wider public is not sought or expected. The Charity does not usually respond to unsolicited requests for donations as the trustees prefer to do their own research assessing which potential causes to support.

More information about The Nature Recovery Project can be found at the Charity's website: <https://the-nature-recovery-project.org/>.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

### **Achievements and performance**

#### **a. Main achievements of the Charity**

The Trustees provided public benefit by donating £97,588 to the Ashden Thriving Forests, £76,672 to Forest of Marston Vale and £22,753 to WRAP in the period.

#### **b. Investment policy and performance**

The Charity received donations of suitable land together with cash gifts from Sadie Meredith in the period to 31 August 2023, who is one of the trustees. None were received in the current period directly from any trustees. However, a cash donation was received in the period from a related party Trust, which share some of the same trustees as the Charity. The Charity does not raise funds from the public. At present, the trustees do not have sufficient cash to invest in a quoted investment portfolio.

The Trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems and processes are in place to mitigate exposure to such risks.

### **Trustees' Report (continued)**

**For the period from 1 September 2024 to 31 March 2025**

#### **Financial review**

##### **a. Financial position at end of reporting period**

The statement of financial activities on page 7 sets out the results of the charity for the period to 31 March 2025.

The Charity received total income and endowments of £ 660,734 during this period (2024: £5,963). Total expenditure was £ 335,332 (2024: £781,274), including £197,013 on grants to institutions (2024: £670,677).

At the period end the charity had total funds of £ 959,334 (2024: £633,932), including unrestricted funds of -£546,875 (2024: -£627,818), and expendable endowment funds of £1,506,209 (2024: £1,261,750).

The annual financial statements cover the period from 1 September 2024 to 31 March 2025. Comparative amounts represent those from the 1 September 2023 to 31 August 2024 and are therefore not entirely comparable.

##### **b. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Loans totalling £670,000 have been made to the Charity from another trust, of which Sadie Meredith, Andrew Rounding and Mills & Reeve Trust Corporation Limited are also trustees. The trustees have confirmed that the loan will not be called in until the Charity is in a position to repay it. For this reason, the Trustees continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

##### **c. Reserves policy**

At 31 March 2025, the reserves of the charity comprised the unrestricted fund and the expendable endowment fund.

At the period end the charity had no free reserves (2024: £nil). The Trustees understand that further funds will be added either by Sadie Meredith and/or loaned in from another trust. The Trustees are therefore satisfied with the level of reserves held.

#### **Structure, governance, and management**

##### **a. Constitution**

The Nature Recovery Project is a registered charity in England and Wales, number 1200896, and is a Charitable Company constituted by a memorandum and articles of association adopted by the Charity on 22 April 2022. The Company was granted charitable status on 3 November 2022.

### Statement of Trustees' Responsibilities For the period from 1 September 2024 to 31 March 2025

---

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period, in preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at anytime the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Independent Examiner's Report to the Trustees of The Nature Recovery Project For the period from 1 September 2024 to 31 March 2025

---

I report to the charity trustees on my examination of the accounts of the Company for the period from 1 September 2024 to 31 March 2025.

#### Respective responsibilities of trustees and examiner

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act

#### Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## The Nature Recovery Project

### Notes to the Financial Statements

For the period from 1 September 2024 to 31 March 2025

---

#### 1. Accounting policies

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Companies Act 2006 and the Charities Act 2011.

The charity constitutes a public benefit entity as defined under FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

##### 1.2 Members

The charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is £10 per member of the charity. At 31 March 2025, the total of such guarantees was £20 (2024: £20).

##### 1.3 Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Donation income is recognised in the period in which the charity is entitled to receipt and the amount can be measured with reasonable certainty.

##### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

All costs can be directly attributed to an expense category.

##### 1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

##### 1.6 Taxation

The Nature Recovery Project is a registered charity and as such is not liable to corporation tax on its income derived wholly from charitable activities.

## The Nature Recovery Project

### Notes to the Financial Statements (continued) For the period from 1 September 2024 to 31 March 2025

#### 1.7 Fixed Assets

Land added to or purchased by the Charity is shown as a fixed asset. It is intended that this land will be rewilded to increase biodiversity in accordance with the Charity's objectives.

#### 1.8 Funds

Unrestricted funds are donations and other income receivable or generated for the objects of the charity without specified purpose.

The expendable endowment represents land held which will be, is being or has been rewilded, in accordance with the Charity's objectives. The trustees have the power to convert endowment funds into unrestricted funds and it is therefore classified as an expendable endowment. In 2025, the amount for a land purchase and registration was paid for from the unrestricted fund; this has been transferred into the expendable endowment fund in line with the other land holdings.

#### 1.9 Judgements and estimates

In the application of the accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

#### 5. Trustees' remuneration and expenses

During the period, no Trustees received any remuneration or other benefits.

During the period ended 31 March 2025, no Trustee expenses have been incurred. The trustees are considered to be the key management personnel of the charity. There were no gifts in kind made during the period. Mills & Reeve Trust Corporation is a corporate director of the Charity, and legal and professional fees of £4,466 were provided by Mills & Reeve LLP to the Charity (2024: £13,253).

#### 6. Employees

There were no direct employees during the current period or prior year.

### **Trustees' Report For the period 22 April 2022 to 31 August 2023**

---

The trustees (known as directors under company law) present their report together with the audited financial statements of The Nature Recovery Project for the period 22 April 2022 to 31 August 2023.

The accounts have been prepared in accordance with the accounting policies set out in note 2 to the accounts and comply with the Charity's articles of association, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice" applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

#### **Objectives and activities**

##### **a. Policies and objectives**

The principal objective of The Nature Recovery Project ("the Charity") is to promote for the public benefit the conservation and protection of the natural environment by promoting biological diversity, in particular but not exclusively by acquiring land for the planting of natural and native species woodland and providing support to other charitable organisations with similar objectives that wish to do the same. The charity supports initiatives globally.

The Nature Recovery Project also makes donations and grants to a limited number of charities principally to promote biodiversity. Funding from the wider public is not sought or expected. The Charity does not usually respond to unsolicited requests for donations as the trustees prefer to do their own research assessing which potential causes to support.

More information about The Nature Recovery Project can be found at the Charity's website: <https://the-nature-recovery-project.org/>.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

#### **Achievements and performance**

##### **a. Main achievements of the Charity**

The Trustees provided public benefit by donating £37,029 to the Nature Friendly Farming Network. The trustees have also received two plots of land which are to be rewilded.

##### **b. Investment policy and performance**

The Charity has received donations of suitable land together with cash gifts from Sadie Meredith, who is one of the trustees. The Charity does not raise funds from the public. At present, the trustees do not have sufficient cash to invest in a quoted investment portfolio.

The Trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems and processes are in place to mitigate exposure to such risks.

### **Trustees' Report (continued)**

**For the period 22 April 2022 to 31 August 2023**

#### **Financial review**

##### **a. Financial position at end of reporting period**

The statement of financial activities on page 7 sets out the results of the charity for the year.

The Charity received total income and endowments of £1,485,000 during the period. Total expenditure was £75,757, including £37,029 on grants to institutions.

At the period end the charity had total funds of £1,409,243, including unrestricted funds of £174,243, and expendable endowment of £1,235,000.

The annual financial statements have been presented for a period longer than one year, from the charity's inception on 22 April 2022 to 31 August 2023. Permission has been sought and obtained from the Charity Commission to use a longer accounting period. As this is the first accounting period for the charity, there are no comparative figures.

##### **a. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

##### **b. Reserves policy**

At 31 August 2023, the reserves of the charity comprised the unrestricted fund and the expendable endowment fund.

At the period end the charity had no free reserves. The Charity does not expect to have significant outgoings in the next 12-18 months, and the trustees are satisfied with the level of reserves held.

#### **Structure, governance, and management**

##### **a. Constitution**

The Nature Recovery Project is a registered charity in England and Wales, number 1200896, and is a Charitable Company constituted by a memorandum and articles of association adopted by the Charity on 22 April 2022. The Company was granted charitable status on 3 November 2022.

##### **b. Trustees**

The Trustees who served during the year and up to the date of signature of the accounts were:

Mrs S V Meredith

Mr A Rounding

Trustees are recruited and appointed in accordance with the charity's governing document and with relevant legislation. The principal office of the charity is shown on page 1.

**Structure, governance, and management (continued)**

**c. Methods of appointment or election of Trustees**

The Trustees may appoint any person to be one of their number. The Trustees review the knowledge and experience of the Trustees and identify training needs on appointment. Suitable training will be provided if required.

**Disclosure of information to independent examiner**

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- So far as that Trustee is aware, there is no relevant information of which the charity's independent examiner is unaware, and
- That Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant information and to establish that the charity's independent examiner is aware of that information.

### Statement of Trustees' Responsibilities For the period 22 April 2022 to 31 August 2023

---

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period, in preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at anytime the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Independent Examiner's Report to the Trustees of The Nature Recovery Project For the period 22 April 2022 to 31 August 2023

---

I report to the charity trustees on my examination of the accounts of the Company for the period ended 31 August 2023.

#### Respective responsibilities of trustees and examiner

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act

#### Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### Notes to the Financial Statements For the period 22 April 2022 to 31 August 2023

---

#### 1. Accounting policies

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Companies Act 2006 and the Charities Act 2011.

The charity constitutes a public benefit entity as defined under FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

##### 1.2 Members

The charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is £10 per member of the charity. At 31 August 2023, the total of such guarantees was £20.

##### 1.3 Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Donation income is recognised in the year in which the charity is entitled to receipt and the amount can be measured with reasonable certainty.

##### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

All costs can be directly attributed to an expense category.

##### 1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

##### 1.6 Taxation

The Nature Recovery Project is a registered charity and as such is not liable to corporation tax on its income derived wholly from charitable activities.

## The Nature Recovery Project

### Notes to the Financial Statements (continued) For the period 22 April 2022 to 31 August 2023

#### 1.7 Fixed Assets

Land added to the Charity is shown as a fixed asset. It is intended that this land will be rewilded to increase biodiversity in accordance with the Charity's objectives.

#### 1.8 Funds

Unrestricted funds are donations and other income receivable or generated for the objects of the charity without specified purpose.

The expendable endowment represents donations from Sadie Meredith. The trustees have the power to convert endowment funds in to income and it is therefore classified as an expendable endowment.

#### 1.9 Judgements and estimates

In the application of the accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.
