However consultation and review of our systems are regularly undertaken, in order to ensure they remain up to date and effective.

UNFAILING LOVE
REPORT OF TRUSTEES
FOR YEAR ENDED 31 DECEMBER 2024

PUBLIC BENEFITS

The Church's Sunday and mid-week services as well as prayer meetings are open to the general public to build on their Christian faith. Apart from its Church activities, the charity was involved in the following public benefit efforts:

- Holding outreaches in areas of interest to our community, such as engaging with local initiatives e.g. donating to the local food bank.
- We run a football team in Colchester that is registered with the Football Association (FA), and plays in the local football league. As sports provides an opportunity for informal meeting with and mentoring of the young people.
- Our charitable work includes donations to organisations like (Noah'a Ark and baraka Children's Home) to help relief poverty.
- The charity runs leadership training and development meetings in Colchester. The objective of the meetings is to provide participants with leadership skills.

Our efforts are geared towards supporting the programmes of our local community, promoting cohesion in our community, and impacting the lives of the young people and the elderly.

In establishing the annual plan and activities for the year, which will fulfil the overall aims of the organisation, the trustees considered the principles of public benefits' testing at the time in line with the ethos of the Charity's objects of advancing Christian faith in the United Kingdom.

The trustees are aware of the Charity Commission's guidance on public benefit and have taken them into account where relevant, in their planning and decision making.

GRANT MAKING POLICY

The church supports visiting ministers of the gospel both within and outside the church. The Church supports other charities and missionary that share its objects in the advancement of Christian faith and relief of poverty. The church gives occasional welfare grant to members of the congregational who are in need, after a careful and thorough assessment.

VOLUNTEERS

The church is grateful for the unstinting efforts of its volunteers who are involved in providing services for the charity. It is estimated that over 1,560 hours are provided by volunteers during the year. If this is conservatively valued at £8.00 per hour, the volunteers effort will amount to over £12,480.

REPORT OF TRUSTEES
FOR YEAR ENDED 31 DECEMBER 2024

REVIEW OF ACTIVITIES

The charity continues to enjoy tremendous growth in its physical and spiritual life during the year, and in the advancement of Christian faith in accordance with the doctrines set out in its Statement of faith .

RESERVES POLICY

The trustees' policy is to have unrestricted and uncommitted funds (free reserves) to cover 3 to 6 months of resources expended. They feel that this would enable current activities to continue if there is any significant drop in funding. It would obviously be necessary then to consider how the funding would be replaced or activities changed. The present free reserve is within the policy range but the trustees are continuing to seek additional funds to further boost the reserves.

PRINCIPAL FUNDING

Funding has been provided mainly through tithes and offerings by church members and through donations.

FUTURE DEVELOPMENTS

The charity continues to explore various ways of spreading the gospel of Christ in an effective manner. The charity is also looking to create more gathering centres, grow in membership and continue to develop its members to make life-changing impact in the community. The charity is particularly interested in helping today's youths to grow in faith and also to be the best versions of themselves as God intends for them. We are committed to raising leaders among them.

NOTES TO THE ACCOUNTS
FOR YEAR ENDED 31 DECEMBER 2023

1. ACCOUNTING POLICIES

(1.1) Basis of preparation of financial statements

These accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) .The financial statements have been prepared with Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" published in March 2005 and applicable accounting standards.

(1.2) Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

(1.3) Expenditure

Expenditure is recognised once there is a legal constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of total of direct costs and shared costs, including support costs involved in undertaking each activity.

(1.4) Fund Accounting

General funds are unrestricted funds which are available for use at the direction of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes. Restricted funds are funds which are to be used in accordance with the specific restrictions imposed by the donors which have been raised by the charity for a particular purpose. The cost of raising such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements where applicable.

(1.5) Cash flow

The financial statements do not include a cash flow because the church, as a small reporting entity is exempted from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective 2002)

(1.6) Tangible fixed assets depreciation

The Charity's tangible fixed asset policy is to capitalise all assets costing more than £500. Tangible assets are carried net of depreciation and any provision for impairment. Depreciation is calculated as follows: Equipment - 25% Straight line
