

6th January 2025

Charity number 1201011

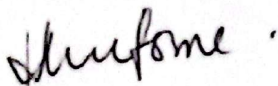

I would like to confirm that there is no activities of this charity to be reported as the charity is not activated yet.

We are currently operating under the charity number 1097565 with same name, Assunnah Islamic Centre, same trustees and same address. It's account and activities are submitted last month.

We are in the process of winding up current active charity and move to the new CIO charity recently set up.

I hope this clarifies the matter.

Yours sincerely

Khalifa Warsame
Trustee
