Hyndburn Food Pantry

Trustee Report For The Year Ended 31 October 2024

Overview

The Trustees of the Hyndburn Food Pantry present their financial statements for the year ended 31 October 2024 and confirm they comply with the Charities Act 2011.

The aim of the Hyndburn Food Pantry is to provide food and hygiene provisions for the community of Hyndburn inclusively, without judgement. It also provides a warm, safe environment for all to be able to socialise and interact.

Review of Business

The Trustees are pleased with the results for the financial year.

Continual review and a proactive approach to generating income and managing costs have been vital to ensure that we can continue to offer this much needed service to the community.

Throughout the year there has been growth and diversity in the members and as such the range of goods we offer has widened so that we can meet these needs.

We have installed a new IT software system to improve the efficiency of data held and the timely manner of customers visits to the Pantry.

The view for the coming year is to work on increasing the service that our users benefit from by visiting the Food Pantry and reducing the stigma of entering a food provision provider. This is being done through educational streams on food poverty, needs of the community and widening the range of internal interactions made with the users.

Report submitted to the Charity Commission

Trustee Report – The Hyndburn Food Bank

During our first year of the Hyndburn Food Bank, we have seen the need for our services grow at an accelerated rate. We currently serve over 10% of our borough, which comprises of 80,000 residents. Users of the charity must reside within the borough of Hyndburn, and this is checked by proof of address. When they sign up with us, they get added to our membership database.

Customers can visit us once a week on our opening days which consists of Tuesday, Thursday and Saturday. They are allocated 10 points per week and pay a charge of £3 for their shopping. We operate as a social supermarket where customers can come and complete their own shopping and take items off the shelf, and then take their items to the cash desk, maintaining their pride and independence.

We also have a free café within our premises accessible to everyone, where they can receive free refreshments and is also utilised as a warm space during the winter months, with supported funding received from the local County Council.

We have also assisted our customers by working together with the local leisure trust as being a venue for distributing the local rounds of the Household Support Fund, where supermarket vouchers have been handed out to customers in need.

We have also worked with the local borough council and other service providers supporting those of domestic violence, Ukrainian refugees, asylum seekers, those who are homeless and anyone else who needs a bit of help, in order to not to go to bed hungry.

We have had a very busy year supporting those customers in need, and sadly we are getting even busier supporting families and supporting elderly people who need some company and just a chat with someone.

Overall, we are happy with how our first registered year as a charity has gone, and have a positive outlook for future years ahead.
