Lighthouse Church Sidmouth

Summary of main activities undertaken for the public benefit

Lighthouse Church Sidmouth meet for Sunday morning services in a local school at the heart of our community. We welcome visitors and make specific provision for children.

We hold monthly prayer meetings focused on intercession for individual personal needs, local community issues, national and global concerns.

Regular attendees meet mid-week in small groups for fellowship, prayer and support.

Lighthouse Church partner with a small number of other charities both locally and further afield to provide financial and prayer support to their own work.

All of our funds to cover administration costs and giving outside the church are met by discretionary donations from regular attendees, many of whom also give their time volunteering for other local charities working in the community.

Summary of the main achievements during the period

In line with our mission to promote the Christian faith, the church has continued to meet for services each Sunday where, typically, we have 30-40 adults and children in attendance on Sundays at our morning service.

There have been special services through the year including at Easter and Christmas with particular focus on activities for families with children not already part of the church.

During the year we have further consolidated our financial position with a view to engaging our first employee to support and complement volunteer efforts.

Community, Ministry & Mission

The trustees believe the benefit to the community charities are in line with the stated objectives and our chosen charities align with the objectives.

During 2024 Lighthouse Church Sidmouth was supporting 3 primary causes and organisations: Gateway Sidmouth; Offering advice, support and practical help for people facing homelessness or indeed those that are already homeless.

The Lighthouse Community (Poland); a fellowship of friends and pioneers, committed to preaching the Gospel of the Kingdom and making disciples of Jesus across Central and Eastern Europe.

Transforming Lives for Good; is a national Christian children's charity that helps churches to bring hope and a future to struggling children.

The charity's policy on reserves

Currently and during the account period, Lighthouse Church Sidmouth do not operate a reserve policy, however the trustees have recognised there may be a future need and this will be reviewed during the next accounting period. Currently we believe the risks are low with respect to this as the charity is run entirely by volunteers with no employees at present.
