Rev Dr. Samuel Asante (Founder)

Ms. Benedicta Korkor Yeboah (Secretary)

Mr. Frederick Parker Longdon (Primary Administrator)

Purpose and Activities: DEVINE MIRACLE DIVERSITY MINISTRIES, as a Christian church community, is committed to, first and foremost, serving the local community through various charitable initiatives.

Our objectives include providing food and shelter to those in need, supporting vulnerable people in the local community and promoting spiritual growth. We will achieve these goals through food drives, volunteer outreach programs, and partnerships with local organisations, guided by our values of compassion, empathy, and service."

Summary of the Year: In the financial year 2024-2025

By the Grace of God, DMDM found a residence on the 2nd of February 2025 within the halls of St. Patrick's Church Hall, 299 Wolverhampton Road, New Cross, Wolverhampton. WV10 0QQ.

Achievements and Activities:

As a new ministry with limited membership, DMDM has grown spiritually in the past year. We continue to see a revival amongst our families and friends, and continue to reach out into the community.

Financial Review:

The ministry during this period did not engage in any fundraising activities.

Our overheads currently consist of rent, fuel, refreshments and T&T for some elderly members.

Our hope and prayer is that as the ministry grows and the need arises, we shall begin receiving some form of financial donations.

Once that becomes necessary then the ministry will be in a position to present the church's financial statements (e.g., Receipts and Payments accounts and or an Income and Expenditure Account).

Reserves Policy:

The church's expenses for the reporting period exceeded its income hence there are no reserves in alignment with our reserve policy. Once we start accepting donations and/or raising funds, we shall present a statement of the reserves and how it aligns with the church's financial needs.

Gift Aid and Grants:

The church has not made any claims for Gift Aid or grants received during the year.

Assets and Liabilities:

DMDM owns their own instruments (drums, keyboards and congas, amplifiers, and microphones).

Risk Assessment:

DMDM has a risk assessment policy, and will be actioned as required.

Safeguarding: DMDM has a safeguarding policy in place with measures to be taken in the protection of children and vulnerable adults.

Looking Ahead:

Community Outreach: DMDM looks forward to introducing a food bank service with donations from members to support vulnerable populations.

Youth Development: DMDM will launch mentorship programs and Bible study groups for young people.

Pastoral Care: we hope to introduce a counselling services and visitation programs for members.

Worship and Spiritual Growth: DMDM will introduce a worship service and prayer expand its groups.
