UK LYSOSOMAL STORAGE DISORDER COLLABORATIVE

Trustees' report for the Period Ended 31 December 2023

Introduction

The trustees present their annual report and accounts for the period ended **31 December 2023**.

The CIO was registered on 23 November 2022 but has not begun to trade as at **31 December 2023**, however the trustees anticipate that the CIO will begin its activities during the coming year.

Objectives and activities

Principal activity

To undertake joint promotion and a shared understanding of LSDs, to advance standards of care and to enhance the health and wellbeing of those affected. To stimulate interest and work in partnership to establish a forum in which members can discuss together matters of common interest, and contribute to the development and dissemination of good practice amongst them

Public benefit

We confirm that the Trustees have had regard to the guidance issued by the Charity Commission on public benefit, in deciding on the activities of the CIO.

Monitoring and Advisory

The CIO provided regular monitoring and advisory support for the development, opening and operations of the first children's home.

Structure, Governance and Management

The CIO is incorporated and governed by its own governing document.
The trustees have overall control and responsibility for policy and major decision making.
