

Wool & Winfrith Football Club

Annual Report

2024/25

Introduction

Wool and Winfrith Football Club is a community run football club run by local people for the promotion of community participation in health recreation in the Wool, Winfrith and Wareham area by providing facilities for playing association football. The Club welcomes children from the area to participate in league football under Dorset FA. During 2024/25, the football club operated 11 teams plus Mini Kickers during the financial year which ranged from Mini Kickers U7 team to U16 Rangers including one girls team.

The club runs solely using volunteers who are members of the community as well as parents of the children playing for the club. We are a registered charity and we do not charge the children for match fixtures however do ask for a small contribution, payable across the year, from each family in order to support the running of the club. The contributions pay for training kit for each child, the cost of hiring and maintaining the pitches, insurance, regulatory courses and medical equipment. The club operates within the rules of the FA. For our teams under 11, they are non-competitive and the club operates to ensure that these children are able to experience inclusive and enjoyable sport without the pressure of competition.

The club started in 2008 by parents who were looking to create a local team and has evolved successfully with the support of volunteers from the community and local businesses who sponsor teams. 2024/25 was a really successful for the majority of teams some who obtained their own sponsorship and obtained successful outcomes in their fixtures.

The club has ambitions to secure a tenancy on a piece of local land which will require significant works to create suitable training facilities and a match compliant pitch. In order for this to happen, the club will need to raise funds and will create a ring-fenced pot of money to do that. The committee agreed that a match fund pot of £50k would be its aim.

The club works hard to attract new coaches and volunteers to help with the growing of teams. We are working especially hard to create more girls teams.

We would like to say thank you to Coaches this year who have all done a sterling job. Those who have left us are xxxxxxxx for which we are grateful and wish them the best in their new endeavours. We welcome to the club xxxxxxxx as new coaches, may they have a really successful year.
