The charity's objects are to advance such exclusively charitable purposes by making grants and donations to individuals and organisations at such time or times and in such manner as the Trustees, in their complete discretion see fit.

The Trustees have complied with their duty to have due regard to Public Benefit guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The G M Atherton Foundation

Trustees' Annual Report *(continued)*

Year ended 31 March 2025

Achievements and performance

The Foundation was incorporated during 2022 and received income of £165,272 by way of share transfer. The Trustees intend to distribute income from this initial endowment in line with the grant making policy.

Financial review

The results for the period are shown on page 5. Following incorporation on 15 December 2022 the Foundation received a donation of £165,272 by way of share transfer. During the period, investment income was £2,106. Total expenditure for the year was £3,634 and there was a loss on investments of £3,909, leaving net assets at 31 March 2025 of £139,457.

The Trust's funds are managed by a regulated fund manager and are invested so as to provide a mix of capital growth and income. It is the Trustees' policy to hold these invested funds to make grants and donations out of the income arising. The invested funds are detailed in Note 12 on Page 9, and the Trustees consider these are needed to enable the Trust to continue exercising its grant making policy.

The Trustees have concluded that holding reserves is unnecessary, they will only distribute income as donations or grants to the maximum available in any given year. Undistributed funds at the end of the period are carried forward to be applied to future grant making.

Going Concern

Accounting standards require the Trustees to consider the appropriateness of the going concern basis when preparing the financial statements. After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Reserves Policy

The trustees are satisfied with the financial performance of the charity in the year and the level of reserves held. Whilst the charity does not have a formal reserves policy, the trustees manage the funds of the charity so as to distribute the income generated from investing the initial £165,272 donation. The amount of reserves held at the year end totalled £1,482.

Investments are held in the form of fixed term cash deposits and equity shares. The trustees aim to hold investments on a low risk environment where preservation of the capital sum is the key objective. The trustees are satisfied that these objectives have been met in the period.

The trustees' annual report was approved on ~~14 September 2025~~ and signed on behalf of the board of trustees by:

Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction price. At the end of each reporting period, they are restated at their fair value (market value) at the reporting date. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading "Net gains/(losses) on investments" in the Statement of Financial Activities.

The charity does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity and other investment markets due to wider economic conditions, the attitude of investors to investment risk and changes in sentiment concerning equities and within particular sectors or sub-sectors.

Basis of preparation

The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. They have a reasonable expectation that the charity has adequate reserves to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements

Investment income, gains and losses are allocated to the appropriate fund.

Incoming resources

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Financial instruments

The charity has chosen to adopt Section 11 of FRS102 in respect of financial instruments. The charity's objects are to advance such exclusively charitable purposes by making grants and donations to individuals and organisations at such time or times and in such manner as the Trustees, in their complete discretion see fit.

The Trustees have complied with their duty to have due regard to Public Benefit guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The G M Atherton Foundation

Trustees' Annual Report *(continued)*

Period from 15 December 2022 to 31 March 2024

Achievements and performance

The Foundation was incorporated in the period and received income of £165,272 by way of share transfer. The Trustees intend to distribute income from this initial endowment in line with the grant making policy.

Financial review

The results for the period are shown on page 5. Following incorporation on 15 December 2022 the Foundation received a donation of £165,272 by way of share transfer. During the period, investment income was £2,164. Total expenditure for the year was £2,704 and there was a loss on investments of £19,698, leaving net assets at 31 March 2024 of £145,034.

The Trust's funds are managed by a regulated fund manager and are invested so as to provide a mix of capital growth and income. It is the Trustees' policy to hold these invested funds to make grants and donations out of the income arising. The invested funds are detailed in Note 11 on Page 10, and the Trustees consider these are needed to enable the Trust to continue exercising its grant making policy.

The Trustees have concluded that holding reserves is unnecessary, they will only distribute income as donations or grants to the maximum available in any given year. Undistributed funds at the end of the period are carried forward to be applied to future grant making.

Going Concern

Accounting standards require the Trustees to consider the appropriateness of the going concern basis when preparing the financial statements. After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Reserves Policy

The trustees are satisfied with the financial performance of the charity in the year and the level of reserves held. Whilst the charity does not have a formal reserves policy, the trustees manage the funds of the charity so as to distribute the initial funds donated over several years. The amount of reserves held at the year end totalled £3,281.

Investments are held in the form of fixed term cash deposits and equity shares. The trustees aim to hold investments on a low risk environment where preservation of the capital sum is the key objective. The trustees are satisfied that these objectives have been met in the period.

Independent Examiner's Report to the Trustees of The G M Atherton Foundation

Period from 15 December 2022 to 31 March 2024

I report to the trustees on my examination of the financial statements of The G M Atherton Foundation ('the charity') for the period ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
