Structure, governance and management

The charity is a Charitable Incorporated Organisation (CIO) association formed on 19 December 2022 and is governed by a constitution.

Method of recruitment and appointment of trustees

The trustees of the charity are appointed by the trustees at a duly convened meeting.

Bracken Bank and District Community Association

Trustees' report (continued) for the year ended 31 March 2025

Objectives and activities

The charity's objects

- A) Promote the benefit of the residents of Bracken Bank and District and the neighbourhood together defined by Harewood Road, Staveley Road down to and to incorporate Queens Road as far as St Joseph's School/Parish, Goose Cote Lane, Keighley Road, Ingrow Lane as far as St John's Church without distinction of sex, sexual orientation, race or of political, religious or other opinions, by associating together all the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare and recreation and leisure with the object of improving the quality of life for the said residents;
- B) To secure the establishment of, or to maintain the established Community Centre and manage the same (whether alone or in co-operation with any local authority or other person or body) in furtherance of these objects; and.
- C) Promote such other charitable purposes as may from time to time be determined.

The charity's main activities

The Association seeks to address inequalities through the promotion of self help, community pride and mutual support by facilitating the provision and development of services, activities and resources for the benefit of the Bracken Bank & District community. We also seek to directly involve local people with key decision makers and service providers in shaping the future of their own community.

Public benefit statement

In setting our objectives and planning our activities our trustees have given serious consideration to the Charity Commission's general guidance on public benefit and play provision for young people and providing a central hub for people of all ages to get together.

Achievements and performance

The main function of the charity continues to be the provision of the Sue Belcher Centre as a local community hub. It is well used almost every day by the local community, especially the children and young people who live locally.

It is booked and used by people for one off events/parties which are privately run events. We also have regular hirers of the centre. One of these is Little Learners who are a small business working with very young children. This has been very successful and they currently use the centre twice a week.

We work very closely with a charity based in Bradford called One in a Million. They hold regular sessions for children and young people from 5-18 years old. They currently hire the centre for 3 sessions during the week after school. They encourage children who show promise and encourage them through their engage, enrich and enhance model. They have a specific focus on young people from deprived areas and provide pathway opportunities through sports, arts and enterprise. Together in partnership with One in a Million we were able to secure a grant for £2,500 this last year to buy sports equipment and provide opportunities for young people to have threshold trips/experiences travelling to places that they would not normally visit due to lack of opportunity due to deprivation and other factors.

We have also been recognised and given the opportunity to provide warm spaces through our Health Hub. Anyone can drop into the centre during the warm space times and have food, a hot drink and talk to someone friendly. They also have the opportunity to access helpful information through all our partnerships/network relationships. Periodically we also provide health checks and sometimes even vaccinations.

We have been working with Active Bradford (JUMP) and other organisations and taking care of the green space around the grounds of the Sue Belcher Centre. This has resulted in flower beds, over 700 trees and shrubs being planted with the help of volunteers and the initiative called 'Trees for Cities'.

Maintenance at the centre has included upgrading some of our toilet facilities, painting the building internally and externally. There are regular little picking which is done by volunteers at the Sue Belcher Centre.

Bracken Bank and District Community Association

Trustees' report (continued) for the year ended 31 March 2025

Financial review

The net payments for the year were £4,856, including net payments of £2,757 on unrestricted funds and net payments of £2,099 on restricted funds, after transfers.

Reserves policy

The charity's free reserves, at the year end were £28,453.

BBDCA is currently dependent on donations, grants and rent from groups hiring the centre to sustain its activities. If these existing sources of income are depleted or lost, it is crucial to ensure that there are sufficient reserves to keep BBDCA running for between 3 and 6 months or to allow the charity to wind up or look for alternative funding, while meeting its obligation to service users. Based on 2024/2025 expenditure this results in a target reserves range between £6,100 and £12,2000.

If the charity has excess reserves then the Board will consider how these funds could be best used and make this clear by designating funds for future expenditure. If this is the case then these designations and timings are included as an appendix to this policy.

If significant resources are held in reserve then the Board may consider investing some of these funds to obtain a financial return for the charity. In making these decisions, the Board will consider the likelihood that some or all of the reserves held may need to be accessed at short notice.

The level of reserves should be calculated and monitored every 12 months by the Treasurer.

This policy shall be reviewed every 3 years and whenever there are significant changes in staff numbers or new projects.

At the end of the financial year, our free reserves stood at £28,453. The projected cashflow for 2025–2026 includes an anticipated expenditure of just under £6,000 for the installation of security cameras, as well as a proposed allocation of £15,000 for the refurbishment of the MUGA at the centre. Following these outgoings, our remaining free reserves are expected to be around £8,000, which falls within the parameters set by our reserves policy.

Approved by the board of trustees on 28/7/2025

Notes to the accounts

for the year ended 31 March 2025

1 Accounting policies

Basis of accounting

The trustees have taken advantage of section 133 of the Charities Act 2011 and have prepared the accounts on a receipts and payments basis.

There has been no change to the accounting policies since last year.

No changes have been made to the accounts for previous years.

Taxation

As a charity the organisation benefits from rates relief and is generally exempt from income tax and capital gains tax but not from VAT. Irrecoverable VAT is included in the cost of those items to which it

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Further explanation of the nature and purpose of each fund is included in the notes to the accounts.

Structure, governance and management

The charity is governed by a constitution adopted on 19 December 2022.

Method of recruitment and appointment of trustees

The trustees of the charity are appointed by the trustees at a duly convened meeting.

Bracken Bank and District Community Association

Trustees' report (continued) for the period ended 31 March 2024

Objectives and activities

The charity's objects

- A) Promote the benefit of the residents of Bracken Bank and District and the neighbourhood together defined by Harewood Road, Staveley Road down to and to incorporate Queens Road as far as St Joseph's School/Parish, Goose Cote Lane, Keighley Road, Ingrow Lane as far as St John's Church without distinction of sex, sexual orientation, race or of political, religious or other opinions, by associating together all the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare and recreation and leisure with the object of improving the quality of life for the said residents;
- B) To secure the establishment of, or to maintain the established Community Centre and manage the same (whether alone or in co-operation with any local authority or other person or body) in furtherance of these objects; and.
- C) Promote such other charitable purposes as may from time to time be determined.

The charity's main activities

The Association seeks to address inequalities through the promotion of self help, community pride and mutual support by facilitating the provision and development of services, activities and resources for the benefit of the Bracken Bank & District community. We also seek to directly involve local people with key decision makers and service providers in shaping the future of their own community.

Public benefit statement

In setting our objectives and planning our activities our Trustees have given serious consideration to the Charity Commission's general guidance on public benefit and play provision for young people and providing a central hub for people of all ages to get together.

Achievements and performance

On 19 December 2022 this CIO, Bracken Bank and District Community Association, was registered by the Charity Commission. Previously to this date the trustees of the unincorporated charity of the same name (charity number 1083458) had resolved to transfer its net assets, following its closure, to this CIO. The transfer of these assets was effective 1 April 2023 and is disclosed as a donation in the Receipts and Payments Account within these accounts.

The Centre now has it's own web page, and continues to be a popular venue for events and parties, as well as groups. It has seen regular bookings for exercise classes and toddler groups, as well as OIAM, who continue to hold regular sessions.

David Wilson has created a Youth Voice group, who we hope will help to shape the future of the area. Also, with the help of grants, he has taken many of the youngsters on trips, including ice skating, pantomime, camping, learning archery and bushcraft.

BIG SWING have supplied a storage container, and with the help of grants, we have had it shelved inside and stocked with play equipment, had matting put down around it, and a canopy built onto it for bad weather. Hopefully this will facilitate more outdoor activities.

We are thrilled that the Sue Belcher Centre has been chosen as a site for a new Play Zone, which will replace the outdated MUGA, and will be an asset to both locals and the wider community.

Although the Health Hub has reduced openings from weekly to monthly, it now has the addition of the Locala Bus, for information and help on sexual health matters, also Julie provides breast screening, and advice on matters relating to breast health. The hub also provides a Warm Space for those who need it.

Thanks to co operation between the Committee, Bradford Council's drainage team, and the Duke of Devonshire's agent, drainage has been put in place which should finally alleviate the flooding problem.

Bracken Bank and District Community Association

Trustees' report (continued) for the period ended 31 March 2024

Financial review

The net receipts for the period were £36,322, including net receipts of £31,210 on unrestricted funds and net receipts of £5,112 on restricted funds, after transfers.

Reserves policy

The charity's free reserves, at the year end were £31,210.

BBDCA is currently dependent on donations, grants and rent from groups hiring the centre to sustain its activities. If these existing sources of income are depleted or lost, it is crucial to ensure that there are sufficient reserves to keep BBDCA running for between 3 and 6 months or to allow the charity to wind up or look for alternative funding, while meeting its obligation to service users. Based on 2023/2024 expenditure this results in a target reserves range between £5,500 and £11,000.

It is the policy of the Trustees to maintain reserves sufficient to cover all the Restricted Funds and six month's operating costs. These reserves should be built up from the unrestricted income.

If the charity has excess reserves then the Board will consider how these funds could be best used and make this clear by designating funds for future expenditure. If this is the case then these designations and timings are included as an appendix to this policy.

If significant resources are held in reserve then the Board may consider investing some of these funds to obtain a financial return for the charity. In making these decisions, the Board will consider the likelihood that some or all of the reserves held may need to be accessed at short notice.

The level of reserves should be calculated and monitored every 12 months by the Treasurer.

This policy shall be reviewed every 3 years and whenever there are significant changes in staff numbers or new projects.

Going forward, our aim had been the renewal, or refurbishment of the outdated Multi Use Games Area, but with the promise of the Play Zone, our excess free reserves will be used to make the centre a more secure environment. Additionally we will continue to consider any new projects which could be of benefit to the community, although given our level of reserves we will not be applying for outside funding, except for any such specific projects.

Approved by the board of trustees on 23/01/2025

David Weston (Trustee)

Bracken Bank and District Community Association

Independent examiner's report to the trustees of Bracken Bank and District Community Association

I report to the charity trustees on my examination of the accounts of the CIO for the period ended 31 March 2024, which are set out on pages 6 to 9.

Responsibilities and basis of report

As the charity trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the CIO's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act;
- 2 the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
