TANGLEWOOD WARREN

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 APRIL 2025

The trustees present their annual report and financial statements for the year ended 30 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The object of the charity is to:

- Relieve the suffering of rabbits and other small mammals in need of care and protection by providing and maintaining a rescue home for the reception, care and treatment and to facilitate where appropriate the rehoming to suitable new homes.
- To promote humane behaviour towards rabbits and other small mammals by providing appropriate care and security and by educating the public in matters pertaining to animal welfare and the prevention of cruelty and suffering.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Significant activities and achievements against objectives

We have continued to provide intensive, lifelong medical care for rabbits with complex and chronic health needs. Numbers of residents continue to reduce as several long-term residents sadly reached the end of their lives. Due to the high veterinary costs of providing the best possible care for our residents, we have decided to continue to focus on taking the best possible care of our existing residents, rather than attempting to take on additional rabbits in need of rescue.

Our veterinary care encompassed a wide range of conditions, including heart disease, extensive dental disease requiring multiple extractions, long-term or lifelong antibiotic therapy, specialist diets, abscess surgery, and CT imaging for diagnostic, prognostic and monitoring purposes—an essential but costly component of care at our specialist exotic veterinary practice. Additional conditions treated included cancers, liver torsion, glaucoma, bladder disorders, pneumonia, parasitic infections alongside routine procedures such as neutering and vaccinations.

In addition to direct clinical care, we supported the wider community by facilitating at-cost or subsidised laboratory testing services via our veterinary account for both an adopter and a member of the public, ensuring that essential diagnostics were accessible to those in need.

We have five staff members at any one time in order to ensure a high standard of care, providing training in cleaning, medicating, grooming and infection control. We worked towards all staff becoming certified in both pet first aid and human first aid, strengthening health and safety for both rabbits and staff, and undertook steps to improve enclosures by increasing availability of both home-made and purchased enrichment toys to benefit our residents' mental and emotional health as well as promoting gut health and dental wear.

Financial review

The charity shows a surplus as reported in these financial statement. The charity is supported by a sponsoring company which has provided it financial support and will continue to do so for the foreseeable future. Due to this the charity can continue on a going concern basis.

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained in surplus at all times. The trustees consider that reserves at this level are adequate as the sponsoring company has agreed to underwrites all expenditure.

TANGLEWOOD WARREN

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 APRIL 2025

Structure, governance and management

The charity is a charitable incorporated organisation.

The trustees who served during the year and up to the date of signature of the financial statements were:

Margaret Clotworthy

Penny Spencer

Susan Foster

Recruitment and appointment of trustees

New Trustees are appointed by the the current Trustees.

None of the trustees has any beneficial interest in the company.

The trustees' report was approved by the Board of Trustees.

TANGLEWOOD WARREN

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF TANGLEWOOD WARREN

I report to the trustees on my examination of the financial statements of Tanglewood Warren (the charity) for the year ended 30 April 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

Since the charity's gross income exceeded £250,000, the independent examiner must be a member of a body listed in section 145 of the Charities Act 2011. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

TANGLEWOOD WARREN

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2025

1 Accounting policies

Charity information

Tanglewood Warren is a Charitable Incorporated Organisation.

1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

TANGLEWOOD WARREN

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 30 APRIL 2025

1 Accounting policies

(Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	10% Straight Line
-----------------------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.9 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.
