Trustees' Annual Report

The trustees present their report and financial statements for the year ended 31 December 2024.

Objectives and Activities

The charity's object is to advance the Islamic Shia Ithna Ashari faith in accordance with the doctrines of Fiqh-e-Jaferiya for the benefit of the public. Activities include prayer meetings, religious festivals (such as Arbaeen), lectures, and dissemination of literature.

Public Benefit Statement

The trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

Achievements and Performance

During 2024, the charity successfully organised the Arbaeen commemorations, majalis, and other religious gatherings attended by a large number of community members. These events were supported entirely by voluntary donations. The charity also expanded its outreach by producing informative literature and enhancing online accessibility through its website and social media platforms.

Financial Review

Total income for the year was £30,687.92, derived mainly from voluntary public donations. Expenditure amounted to £25,768.17, which included £7,598 in depreciation on tangible fixed assets. The resulting net movement in funds for the year was £4,919.75, bringing total funds carried forward at 31 December 2024 to £87,977.56.

The year-end funds comprise a closing bank balance of £87,977.56 and the net-book value of tangible assets of £ 22,794. These funds are unrestricted and available for the continued operation and development of the charity's activities.

Reserves Policy

The trustees aim to maintain unrestricted reserves sufficient to cover at least three months of core operating costs, estimated between £5,000 and £6,000. As at 31 December 2024, unrestricted reserves stood at £87,977.56, which provides a strong financial position to support future Arbaeen processions, educational events, and community outreach initiatives. The reserves policy is reviewed annually.

Structure, Governance and Management

The charity is governed by its constitution as a Charitable Incorporated Organisation (CIO), registered on 29 December 2022. Trustees are appointed in accordance with procedures set out in the governing document and typically serve a three-year term. The board reviews its composition annually to ensure it reflects the skills, experience, and diversity needed to achieve the charity's objectives. The trustees continue to identify and monitor key risks, including event safety, financial controls, and volunteer management. Measures such as public liability insurance, financial record verification, and internal guidance for volunteers are in place to mitigate risks.

Plans for Future Periods

The charity intends to continue and expand its annual Arbaeen programmes in 2025, reach additional UK locations, and enhance youth and educational initiatives. Greater emphasis will be placed on developing volunteer coordination, training, and digital awareness programmes.

Fundraising and Volunteer Acknowledgement

The charity receives all income from voluntary public donations and does not employ professional fundraisers. All activities depend on the contribution of over 50 volunteers. The trustees sincerely acknowledge and thank all donors and volunteers for their dedication and continued support.
