Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society.	Para 1.20	<p>Between January 2023 to November 2023, the charity successfully distributed goody bags full of food and essentials to the needy in Southwark and Lewisham. This was done most times on the last Saturday of each month and on Easter and Christmas. The aim was to help alleviate poverty. The was funded by the member donations to the ministry.</p> <p>This venture was very successful but there was much greater demand that could only be met by securing financial support from community grants. The charity was awarded a community grant of £10,000 by The Lottery Community Fund in November 2023 for a one-year project. With this grant, the charity was able run a project 'Respite', to provide warm meals and run a food Bank for in the Boroughs of Lewisham and Southwark. This venture enabled the charity to provide warm meals and run a food bank to feed and support at lease 50-70 needy people in the communities. This project was even more successful as we were able to help and support a lot more people. This project is still ongoing till October 2023. We have successfully held 9/11 Respite events so far. There is greater need for this kind of project in the communities as more and more people</p>

		<p>struggle to even get a warm meal for the day. The Charity intend to apply for more grants to continue this good work.</p> <p>For some other members of the communities, this project gave them an opportunity to make new friends and have a bit of company.</p> <p>We were also able to support those who are actively seeking work by giving them copies of CV templates and a list of live job vacancies and links for active job search online.</p> <p>The Charity organised and funded a day outing to South-end on Sea beach in August 2023 for the youths and families in the communities. Some people have either never been able to afford a day out at the beach or been to one before. During this outing, transportation as well as food and drinks were provided for all who attended.</p> <p>We hope to continue this good work we are doing in the community over the next 2 years if we succeed in getting more financial support from funders.</p>
