Note 29**Additional Disclosures**

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

The website is almost live. Wwww.4-humanity.one password 44. the video is amazing.. We had applied for a grant making charity which was approved by the comission even though we had mentioned we would be selling hotel stay vouchers. However, legal support we reached out to recently said that as we will be selling stays, we would have to setup a company to run the trading side, and then send its profits to the charity. it would be great if we could discuss that further with you. The T&C for the webstie seem to be a problem to cover travel and consumer laws etc. The expenses on the flight were related to searching for the charities we support - to make sure that before we send funding, that they are legit. We have been approved to support 4 other charities. Under one Sky, charity water, Sight Savers, sos childrens villages. We did help one person out of homelessness. I hope this is acceptable as it is somewhat outside our scope, i would be happy to corect this if needed. We have now selected Under one Sky to support as homelessness charity moving forward to give grants too. Last year we spend 12000 on our website.. which should be live in March 2026. If you could let us know regarding the sale of goods on our website, trading.. etc.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Charity was set up with the objective to raise funds for existing charities.

We are in the process of setting up the website and should be going live by May 2025. The website will aim to sell holidays and possibly other goods to raise money for charities. We are in the process of selecting 12 charities globally to send these grants too once we sell those stays. We just contracted on person to help 20 hours per month to setup the website and launch the charity.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

We will now start setting up policies that we have not had in place yet.

By April, we hope to have selected all Global Charities to support.

By May we can start inviting hotels to join

By June we can start announcing the charity / launching and hope to start selling some of these stays.

We aim to have 50 hotels live by September 2025.

We aim to have 100 Hotels live by April 2026.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The charity has made steady progress in terms of developing its structures. We have been working to generate income through fundraising and donations that will allow our work to continue. The project we are developing will provide education to over 100 children and young people. The project is well underway but still has some way to go before it is complete.

Our aim is to open a small part of the school by the end of 2025.
