## **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 AUGUST 2025**

The trustees (who are also directors of the charity for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing those financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgements and accounting estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

All of the Trustees are members of the trust and guarantee to pay up to £10 each in the event of a winding up.

The trustees are members of the charity but this entitles them only to voting rights.

The trustees have no beneficial interest in the charity

Newcastle West End Children's Community is a Charitable Incorporated Association whose only voting members are its charity trustees ('Foundation' model constitution) and was incorporated on 17 January 2023 and commenced trading on the same date.

## OBJECTIVES AND ACTIVITIES

### Mission Statement and activities

To act as a resource for young people up to the age of 25 living in the West End of Newcastle by providing advice and assistance and organising programmes of activities as a means of:

- (a) advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
- (b) advancing education;
- (c) working in partnership to provide recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

### Vision

To tackle the effects of poverty for children, young people and families by bringing a range of organisations together in a co-ordinated way that is locally driven. The collaboration takes a generational approach to stimulating change from 'cradle to career' across all of the contexts in which children live and learn.

### Key aims and objectives

The priorities for collaborative action are outlined as:

- 1. A stronger community.** A vision of a West End where everyone works together, building a cohesive, supportive environment.
- 2. Reducing inequality.** Challenging poverty to ensure everyone can achieve and be healthy, and ensuring people are accepted for who they are.
- 3. Starting early and supporting transition.** Getting things right from before birth, ensuring healthy child development and supporting children through key transitions in their lives.
- 4. Realising aspirations.** Aiming high for young people and providing more opportunities for success.

## PUBLIC BENEFIT

We have regard to the Charity Commission's guidance on public benefit. We are proud of the work we have done to benefit our community and have fulfilled our charitable objectives.

## **ACHIEVEMENT AND PERFORMANCE**

### **Capacity**

We have strengthened our capacity with the addition of a Partnership Officer and Administration Support Assistant. They are both a welcome addition, enabling us to reach out wider into the community to form partnerships, to have representation at external conferences and community meetings, maintain connections, assist in fundraising, support our initiatives and events and keep the momentum going around key issues. Their appointments have also enabled us to have a better social media presence therefore raising our profile.

Our advisory group continues to support the Trustees in deciding priorities and developing our strategy and we are grateful for their insight and enthusiasm.

### **Community connections**

Our working group meetings remain a prominent focus. They have continued to evolve and have been rebranded as "focus on" groups, addressing key themes identified by our community such as childhood transitions and employability. These groups remain well attended, with representatives from a range of local charities, educational settings, cultural venues, statutory services and local residents. As a result of these groups, and the staff support around encouraging attendance and follow up we have been able to make more connections.

We have continued to facilitate networking opportunities to stimulate the sharing of information and partnership building and this will remain an annual commitment. The networking opportunities we have created have resulted in several initiatives and opportunities unlocking shared resources by partners including access to cultural venues, the provision of after school clubs for children and support for parents.

### **Building community leadership**

Our community organising work in partnership with Tyne and Wear Citizens has continued with noticeable successes around positive changes to provisions in a local park, safety measures around schools and cleaning up residential areas. We commissioned two embedded community organisers who have been supporting community leaders to develop their skills and take action.

Action groups have been established exploring the main themes identified by the community (including children): Safety around schools; Rubbish; and, Anti-social behaviour. These groups have become self-sufficient with emerging leaders taking forward these key concerns. We now support action groups around further emerging themes, notably support for Special Educational Needs and Disabilities (SEND) and key childhood transitions.

### **Impacts on children and families**

There have been multiple and varied impacts on children and families in the West End of Newcastle over our last financial year as a result of collaborative working. Some examples include:

- Over 400 children in Year 6 of their studies taking part in a dedicated STEM education programme. Such programmes have proven impact on educational attainment.
- Over 400 children in year 6 of their studies taking part in a week of health and wellbeing education activities (Health and Wellbeing week) to aid their transition to greater independence. Such projects have proven impact in supporting transition, improving mental health, increasing school attendance and subsequent attainment.
- A collaboration with Elswick Pool, RISE and schools has resulted in the provision of free breakfast swimming clubs (with food) for 100+ primary aged children, resulting in positive impacts on their physical and mental health and education.
- 100+ children have taken part in cultural, creative and sporting activities such as free after-school clubs, theatre visits and theatre training scholarships. These have involved organisations such as Theatre Royal and Newcastle United Foundation. Positive impacts on children's confidence, education and skills have been reported. Involvement in cultural activities such as this have been proven to enhance attainment, socio-emotional development and behaviour.
- A collaboration with Newcastle University Dental school and Brush Up team with the aim of improving dental hygiene in children. Approximately 4000 days of school are missed every year by Newcastle children due to dental decay meaning this project can help to prevent children missing school.
- Support from Newcastle College providing outreach work with children around climate change and with parents/carers around skills and training.

We appreciate the organisations who have supported us in facilitating activities with meeting rooms and refreshments.

Feedback from children and local organisations has been extremely positive, and moving into the future we intend to continue to work closely with local families and encourage local residents and children to get involved in stimulating change.

### **Financial review**

## **NEWCASTLE WEST END CHILDREN'S COMMUNITY**

### **INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES**

For the year ended 31 August 2025

---

I report on the financial statements of Newcastle West End Children's Community for the year ended 31 August 2025, which are set out on pages 8 to 15.

#### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2022 ("the Charities Act") and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

#### **Basis of independent examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

#### **Independent examiner's statement**

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
