AS-SALAAM FOUNDATION

(CHARITY NO: 1201691) TRUSTEES' REPORT

The trustees present their report and financial statements for the year ended 30 June 2024.
The report and financial statements are fully SORP compliant and demonstrate how the charity has met its objectives.

Structure, Governance and Management

The charity is governed by its Trust Deed. All trustees are founder members who have served throughout the year, working voluntarily to manage day-to-day activities. Consequential changes are made where necessary to maintain compliance and ensure swift responses to emerging needs.

Objectives and Activities

The Foundation's objectives are the prevention or relief of poverty and the advancement of education worldwide. Activities include welfare projects, education support, emergency relief, and sustainable development initiatives.

Current Activities

Our main projects include:

- **Water Projects:** Providing clean, safe water through wells and communal taps.
- **Orphan Sponsorships:** Supporting children with food, education, healthcare, and clothing.
- **Qurbani Distribution:** Distributing meat during Eid al-Adha to families in need.
- **Education Advancement:** Providing school supplies, IT equipment, and teacher funding.
- **Emergency Relief:** Offering food, shelter, and medical aid during crises.
- **Food Packs:** Delivering essential food parcels during Ramadan, winter, and emergencies.

Achievements and Performance

In 2024, we expanded our work across India, Pakistan, Bangladesh, Africa, and beyond. Donations allowed us to provide food, clean water, education, and emergency aid to thousands. Strong partnerships helped maintain uninterrupted aid delivery, and education support continues to empower future generations.

Our annual Qurbani distribution and food pack programmes reached some of the most vulnerable families, bringing dignity and relief during key times of hardship. Strong partnerships with suppliers and local organisations ensured efficient project delivery and helped maximise the impact of every donation we received.

Financial Review and Reserves Policy

The charity's work is made possible through generous public donations, grants from other charities, and support from individual donors. These funds have allowed us to sustain and expand our charitable activities, fulfilling our mission effectively and responsibly throughout the year.

Going Concern and Risk Management

Trustees are confident the Foundation has sufficient resources to continue in the medium to long term. Risks are regularly assessed and mitigated through effective controls and planning.

Acknowledgements

The trustees would like to extend their heartfelt thanks to all our supporters for their financial contributions, time, and moral support. We rely on your continued trust and generosity to carry out our vital work, and together, we look forward to building an even stronger impact in the future.
